

Ms. Mak

Application to reapply for member of The Student Senate.

Hello, My name is Salimah Shabazz. But I prefer everyone call me Mrs. Mak. I graduated from Chabot College in Spring of 2014, with a certificate in Service provider and self reflection. and enrolled in early childhood development classes Fall 14. My major is social justice and ethnic studies. I am the president of the CIn club. And a member of the Stay woke collective. I am also Involved with the justice arts collective. I have organized and facilitated week long events; that's geared toward stopping gun and sexual violence

I am Interested in running for the Open Representative, and VP of Communication and Relations senate positions .I am currently on the SASE and PDEV Committee.Many of the duties and responsibilities of the representatives and VP of Communications and Relations;. I currently uphold.

My mission as Student Senate is to give back to students, from within Chabot College. In addition to assisting from the outside of the Student Senate.I have reached students as a student. Chabot college, faculty and staff has given so much to me, Chabot college and many of its classes have helped shape the Mother, grandmother, Student, and Women I am today.

Continuing with the student senate is the perfect way to give back not only to faculty, staff and students, but to my community. It would be an honor to be in the position to assist and rectify students with on campus complaints. I am majoring in Ethnic Studies and Social justice, because it's my calling to exhibit extensive experience with organizing, facilitating, and coordinating events.with my active leadership background and effective event coordinating,skills.I vow to provide passion,creativity and professionalism.I feel I would be the ideal fit for the position. I am skilled at communicating with diverse cultures,across various principles.

The three adjectives I would use to describe myself are dedicated, empathic, and understanding. I am devoted to whatever tasks I encounter, in addition to,exhibiting understanding inclusivity, and empathy for others. in addition one of the goals I would like to achieve as student senator of Chabot College would be to improve and provide students with high speed internet, the WIFI on campus is of poor quality, I assist students via google voice which requires wifi, and at least 5 times out of 10, there is always a internet interruption when assisting students and completing on line assignments.
