

Welcome!

Dear Chabot Student,

The Fall 2008 semester has officially started, we welcome all new and returning students and visitors to our college. As you have already noticed we have new parking lots and ongoing construction on campus. The Chabot College Campus Safety Department would like to remind everyone that the Hayward Police Department will be enforcing Off-Campus illegal parking on Depot Rd. and all surrounding streets including Special Permits Required and No Parking signs. Please be aware of the signs to avoid being ticketed. You can purchase your Chabot Fall 2008 parking Permits online. There are also daily parking permit dispensers all throughout the parking lots, you may purchase the daily permit for \$2.00/per day.

To purchase your Chabot Fall 2008 Parking Permit Click on this link:
