

# Chabot College

## Diverse, First Generation Students Starting at Basic Skills Levels

Chabot College serves a diverse population of 13,500 students in five major ethnic groups. Between 50 and 90 percent of each ethnic group are first generation college\* students.

With the majority of each ethnic group also starting community college at the Basic Skills level in English and/or Math, our students need substantial guidance and support to navigate through college to successful degree and transfer outcomes.

Fall 2015 Students by Race-ethnicity

Percentage of First Generation College Students within Race-Ethnicity Groups

Pct Assessed into Basic Skills English

Pct Assessed into Basic Skills Math

\*First generation college student: Neither parent has earned a baccalaureate degree.
