

# Chabot College Student Accreditation Survey: Fall 2007

## Highlights

### Changes in Student Satisfaction with Chabot

According to the 2007 Student Accreditation Survey, student satisfaction with Chabot has increased in a number of areas. Compared to two years ago, students reported that they are equally or more satisfied with their preparation for transfer, preparation for obtaining employment in their field of study, experience with Chabot instructors and other college staff, and with the condition of facilities, including parking and technology labs.

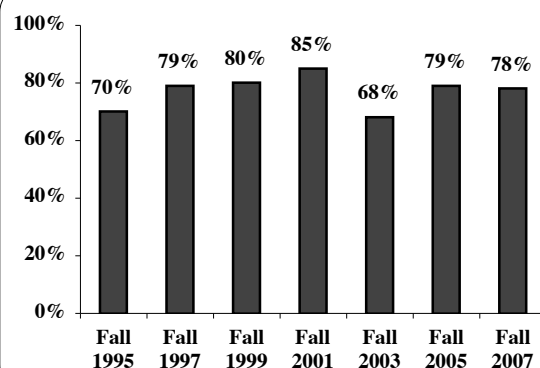

The Student Accreditation Survey was conducted in October 2007 in a representative sample of 69 classes. Surveys were completed by 1,379 students (63% full-time; 37% part-time).
