Chabot College AA/AS Degrees Awarded 1990-91 to 2014-15 Transfer Degrees Contribute to Increase in Degrees

Transfer Degrees continued to be popular choices among Chabot graduates, helping to push the number of AA/AS degree graduates up from last year's record number of 839 to 847 in 2014-15. The number of Transfer Degrees grew from 131 last year to 172 in 2014-15, showing that students value AA/AS degrees that fulfill transfer requirements. While many traditional degree majors declined, some also grew—increases occurred in Accounting and Business, Early Childhood, Fire Technology, Liberal Arts/Kinesiology, and Mathematics. For details see the IR website.
