

Chabot Transfers to CA Public Universities: Academic Years 2000-01 to 2012-13

Chabot students most frequently transfer to CSU East Bay, San Francisco State, San José State, UC Berkeley, and UC Davis. Transfers of Chabot students to all California public universities in the last 13 academic years are shown below. CSU East Bay has consistently received half of all Chabot transfers, while the numbers of transfers from the other universities have fluctuated.

In 2012-13, almost all UC and CSU campuses had a decrease in the number of Chabot transfers compared to the previous year. Only UCLA and UC Santa Cruz experienced substantial increases in transfers from Chabot. The decreases by campus reflected an overall 12% drop in Chabot transfers to CSU. Statewide, community college transfers to CSU dropped by 13 percent.
