For this example, there probably is more than one article. How to find more?

Tip one: Remember to Select a Field (some will narrow down your search. But if you select a field to “All Text” you expand your search.

Results for: product misuse AND product liability Add search to folder Display link to search Create alert for this search

Find: product misuse in Select a Field (optional) Search Clear ?

and product liability in Select a Field (optional)

and in TX All Text

in: Academic Search Elite (Searching: Academic Search Elite)

- AU Author
- TI Title
- SU Subject Terms
- AB Abstract or Author-Supplied Abstract
- KW Author-Supplied Keywords

Add Row

Tip Two: Take a look at official subject headings. For example, “Products Liability” is the official subject heading for “Product Liability” try re-performing your search with the other subject heading. (If you click on the link on the left it would narrow down your search, which is great for limiting, but now we are expanding).
