Earn an **A.A. Degree** in:

Liberal Arts Option I (prior to Fall '08)

OR

Liberal Arts Option 1 with Social and Behavioral Sciences Area of Emphasis (beginning Fall '08)

OR

Behavioral Science

*Other majors available,
more classes may be required.
A.A.'s require minimum 60 degree-applicable units.
Beginning F09, Math 55 is required.*

Completes **CSU General Education Transfer Requirements**

Transfer to **CSUEB PACE:**

Earn a **B.A. Degree** in:

- **Human Development Major** (Online or Evening classes)
- **Liberal Studies Major** (Options available in Childhood Studies, Organizational Leadership, Special Education, OR any University approved Minor, such as Business)
- **Hospitality, Recreation and Tourism** (Online)

*Other schools and majors available,
more classes may be required
Transferring requires minimum 60 transferable units*

All PACE courses are both A.A. Degree-applicable and CSU transferable,

except: Math 103, 104 and English 102, which are neither; and

Math 65 and 55, which are not CSU transferable but count toward the A.A. Degree.

Math 65 met AA Degree Math requirements until Fall 2009, when Math 55 became required.

*Take Math & English classes according to eligibility through the Chabot Assessment process or by taking prerequisite class(es).
