Thank you for your interest in the Dental Hygiene Program at Chabot College.

1. Log on to www.chabotcollege.edu/classweb
2. Click on "Sign On to CLASS-Web"
3. For USER ID, enter your SSN if you have provided this information on your admissions application. Otherwise, you need to go in person to the Admissions and Records Office with a photo ID to obtain your student W ID number.
4. For PIN, enter your birthdate (MMDDYY)
5. Click on "What is my W ID?"

How to obtain a Chabot Zonemail email account:

Be aware that ALL correspondence regarding your application and admission status (selected, alternate, non-acceptance, not eligible) to the Fall 2019 Dental Hygiene Program will be sent to your Chabot student Zonemail email account.

1. Log into CLASS-Web www.chabotcollege.edu/classweb with your W ID and six digit PIN. Once you are logged in, click the link "What is my email address?" from the Main Menu.
2. Your Zonemail account is under "College Email Address (Student only – not updatable)" and would contain your username [@zonemail.clpccd.edu](mailto:zonemail.clpccd.edu).
3. Once you know your Zonemail username, use the direct link to log into Zonemail: <http://stumail.clpccd.edu>
4. Enter your Zonemail username and the password will be the same six digit PIN you use to log into CLASS-Web. Note: the PIN can be no more than six digits long.
5. Click "log-in" instead of hitting the enter key.
6. If this is your first time logging into Zonemail, you may also be required to enter a CAPTCHA code.
7. If you have logged into Zonemail before but forgot your password, you can reset it by going to CLASS-Web and changing your PIN. When you change your PIN in CLASS-Web, it also changes it for The Zone and Zonemail.
