

**Jennifer Vega La Serna**  
**College of the Sequoias**

Vice President, Academic Services (accreditation liaison, chair of institutional planning including master plan, strategic plan, annual report, serve on college council)

Summary of professional experience: (Include academic disciplines, career and technical education experiences, other institutional experience, professional service, experience with distance/correspondence education (DE/CE) quality and integrity, student complaints, assessment of student learning outcomes, institutional research on achievement and learning, institutional planning and budgeting, policy on transfer/award of credit, financial aid, etc.)

My academic degrees are an MA in Education counseling, MA in teaching English as a Second Language, and doctorate in Education Policy, Planning and Administration focus on international and intercultural education.

Basic Skills initiative. The Learning Resource Center (library and tutorial), distance education, institutional research and faculty professional development have reported directly to me. I served as dean of fine arts and language arts for 5 years. Served on student grievance committee, negotiations, student learning outcomes, and student success and equity task force.

I also have experience with adult education AB86, college catalog, curriculum, noncredit curriculum and dual enrollment.

I have not served on an external team, but have been immersed in accreditation since 2012. I became CIO and ALO just before my college was given a show cause sanction. I have led the accreditation response including the show cause report, warning report and currently writing the midterm report. I have been responsible for three visiting team visits to my college in three years.
