Re: CB&T Community Development Grant Program

Dear Dr. Carlson,

I am pleased to inform you that the Chabot College Foundation's request for a \$25,000 grant to fund this year's Summer Youth Sports Program has been approved with funding approximately the first half of June, 2006. This amount represents one of the largest contributions California Bank & Trust has given to an organization this year.

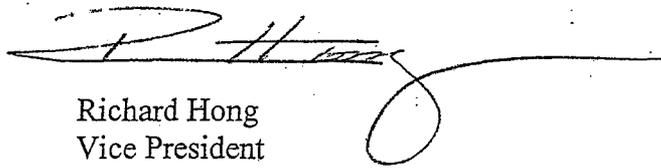

The Summer Youth Sports Program was seen as integral to the community in providing a positive instructional experience for disadvantaged children. And, California Bank & Trust is pleased to partner with Chabot College to continue this worthy summer program.

California Bank & Trust views Chabot College as integral to developing future business leaders and building economic vitality in the community. Over the past three years we have contributed almost \$60,000 and countless hours to the College's efforts. Funds have increased the College endowment that is dedicated to mentoring and retention programs. Funds have also supported scholarship, performing arts, athletic and nursing programs on campus. We hope our lead will encourage other members of the community to get involved with the College.

We look forward to a successful 2006 Summer Youth Sports Program.

Feel free to contact me if you have any questions at 510-785-6100.

Sincerely,

Richard Hong
