

Chabot College Student Accreditation Survey: Fall 2013

Highlights

Overall Satisfaction with Chabot

Most Chabot students are satisfied with their overall experience at Chabot, their instructors, student services, the campus climate and the physical condition of Chabot, according to the Fall 2013 Student Accreditation Survey.

The main purpose of the survey was to collect student feedback about all aspects of Chabot for the Accreditation Self-Study report, which will be written in Spring 2014. It is a longer version of the biennial Student Satisfaction Survey. The Student Accreditation Survey was conducted in Oct. 2013 in a representative sample of seventy-seven on-campus course sections and was completed by 1,720 students (57% full-time and 43% part-time).
