CHABOT COLLEGE

The Welding Technology Program Department under the Apply Technology and Business Division auspices, cordially invites your participation and acumen input in the Welding Advisory Committee on April 10, 2015, room 1506 building 1500.

Your involvement is highly regarded and over time became an essential factor in making this program relevant in our community.

The meeting will start with refreshments at 6:00 pm and will conclude around 8:00pm.

Thanks,
Department head
Welding instructor
Dan Raveica
