

## Appendix F8: Facilities Requests

**Audience:** Facilities Committee, Administrators

**Purpose:** To be read and responded to by Facilities Committee.

**Background:** Following the completion of the 2012 Chabot College Facility Master Plan, the Facilities Committee (FC) has begun the task of re-prioritizing Measure B Bond budgets to better align with current needs. The FC has identified approximately \$18M in budgets to be used to meet capital improvement needs on the Chabot College campus. Discussion in the FC includes holding some funds for a year or two to be used as match if and when the State again funds capital projects, and to fund smaller projects that will directly assist our strategic goal. The FC has determined that although some of the college's greatest needs involving new facilities cannot be met with this limited amount of funding, there are many smaller pressing needs that could be addressed. The kinds of projects that can be legally funded with bond dollars include the "repairing, constructing, acquiring, equipping of classrooms, labs, sites and facilities." Do NOT use this form for equipment or supply requests.

**Instructions:** Please fill in the following as needed to justify your requests. If requesting more than one facilities project, please rank order your requests.
