## TECHNOLOGY COMMITTEE

The Chabot Technology Committee is comprised of faculty, staff, and administrators from Chabot College and the District. The committee explores, discusses, reviews, and assists with technology-related issues.

### What We Do

- » Study, review, advise and recommend regulations and procedures relating to institutional technology.
- » Identify, prioritize, and review technology needs with regard to network infrastructure, staffing, funding, and equipment capacities.
- » Develop a college-wide technology plan, including deployment of technology equipment, and coordination of services with ITS.
- » Provide guidelines and leadership in the development of technology for computer-assisted instruction, including curriculum, and assessment of instructional computer use.
- » Coordinate with the Distance Education Curriculum Support Committee.
- » Assists and supports College planning process as needed or requested.
