STUDENT SERVICES

Student Services provides a variety of programs and procedures through which individuals are brought into the college for instruction, assisted in career planning & development, assisted in planning for and pursuing courses of study, provided with avenues for obtaining financial aid & employment, and given an opportunity to participate in many different activities. Student Services is also responsible for record-keeping and reporting in matters relating to student progress, attendance, and status, for health & emergency care procedures, and for the general supervision and control of the campus.
