PETITION FOR ADMISSION FROM DISMISSED STATUS

This petition is to be filed with a regular Application for Admission by all students who have been dismissed for academic or progress reasons from Chabot College. You will be advised of the action taken on your petition as soon as possible.

POLICY ON READMISSION BASED ON ACADEMIC STATUS

Students who have been dismissed from Chabot or Las Positas College may apply for readmission after one semester of non-attendance. Students applying may be readmitted upon the approval of the Vice President of Student Services or designee of Chabot or Las Positas College.

Students readmitted after dismissal from Chabot or Las Positas College may be subject to regulation of their classes and number of units attempted.

Students readmitted who are subsequently dismissed a second time shall be dismissed from the College and will not be eligible for readmission until after five (5) years of non-attendance.

In extreme cases in which dismissal resulted from extenuating circumstances, students ineligible for admission under the above regulations may appeal to the Vice President of Student Services or designee for special consideration and may be readmitted upon approval of their petition. Such extenuating circumstances shall be those acute medical, family, or other personal problems which rendered normal academic functioning unlikely or impossible.

The Vice President of Student Services, with the approval of the President or designee, may reduce or eliminate the waiting period described above due to extenuating circumstances. Any student admitted via this method must submit to a controlled academic program under the immediate supervision of a counselor.

POLICY ON READMISSION BASED ON ACADEMIC PROGRESS

Students who have been dismissed from Chabot or Las Positas College because of unacceptable progress may apply for readmission after one semester of non-attendance. Students so applying may be readmitted upon the approval of the Vice President of Student Services or designee.

Students readmitted who have a cumulative progress ratio of less than fifty percent (50%) after completion of the semester immediately following readmission shall be placed on progress probation. If after another semester they still have poor cumulative progress, then they shall be dismissed and shall not be eligible for readmission until after five (5) years of non-attendance.

The Vice President of Student Services or designee may reduce or eliminate the waiting period described above due to extenuating circumstances. Any student admitted via this method must submit to a controlled academic program under the immediate supervision of a counselor.
