Instructions for Using CLASS-Web
(Chabot-Las Positas Automated Services System)

ADDING CLASSES

- Using an internet-enabled web browser such as Chrome or Internet Explorer, go to the Chabot College homepage at www.chabotcollege.edu.
- Click the Search/Register for Classes (CLASS-Web) link in the upper right-hand corner, then click the Sign on to CLASS-Web link.
- Enter your 9-digit User ID. The User ID corresponds to your “W” ID number or your social security number. All nine digits of your User ID should be entered with no dashes or spaces.
- Enter your 6-digit PIN. The PIN is initially set to your birth date in the format MMDDYY (e.g., 090892 for September 8, 1992).
- Click the Login button.
- If this is your first time using CLASS-Web, enter your personal Security Question along with the Answer. (This will enable you to reset your PIN and gain access to your information. To help you to remember your answer, keep it short, limit spaces, and do not use special characters. Your answer is limited to 30 characters.)
- After successfully logging in, click the Student Services and Financial Aid tab.
- Click the Registration link, then click the Add/Drop or Withdraw from Classes link.
- Select a term from the drop-down menu, then click the Submit button.
- You may be prompted to update your declared major, employment expectation, and educational goal. Update information as necessary, then click the Submit button.
- Read the instructions on the Add/Drop or Withdraw from Classes page completely. Scroll down to the Add Class section of the page, then enter the CRNs you have selected in the boxes. When finished, click on the Submit Changes button.
- After the Add/Drop or Withdraw from Classes page refreshes, verify your enrollment in the classes you have selected in the Current Schedule section.
- If all the classes you selected do not appear, scroll down to the Registration Add Errors section to check the status of any class which does not appear in your Current Schedule.
- Click the Pay Fees Online link above the Current Schedule section to review your account balance and pay your fees by credit card. Payment by CLASS-Web requires full payment of all fees due on your account, including enrollment fees and optional fees - mailing fee and student activity fee. Optional fees help support services and student activities; however, if you do not choose to pay the optional fees, please contact the Admissions and Records Office to request an exemption.
- When finished, click EXIT to end your CLASS-Web session.
