

Super Saturdays

NEW!

Piano for Kids

After taking this four-week introductory group class, students with little or no prior experience will be able to read and play 20 songs (classical, folk and blues) using both hands in treble and bass clef. You'll be playing your first song on the first day! You'll also learn chord progression that will serve as a basis to play many other songs when the lessons are over or go on to continue your piano education. Ages 10-17. Limit 15 students. *Notes:* Must have keyboard or piano to practice on for 15-20 minutes a day. Intermediate students are welcome and will be given higher-level instruction. *Instructor:* Kathleen Nelson has been successfully teaching piano in private practice since 1990 using the above format.

Required Materials: Alfred Adult Piano Book 1. Instructor will also provide supplemental sheet music and CD with play-along songs.

Course #330003 **4 Saturdays, June 13-July 11, 1:30-2:30 p.m.** **Room 1218** **\$49**
(no class 7/4)

Guitar for Kids

Have you always wanted to play the guitar like your favorite rock stars? Take this six-session class and you will learn note reading, chords, and the "tablature" system of playing the guitar. By the end of the class you will be able to impress your family and friends with easy-to-play songs. Must bring a tuned guitar, a pencil and a guitar pick (guitars can be rented at local music stores). Ages 8-14. (see Guitar for adults, ages 15 and up, under Music). *Instructor:* Bruce Brill

Materials fee: \$15, payable to instructor, for sheet music and handouts, and CD.

Course #330001 **6 Saturdays, July 11-August 15, 11 a.m.-12:15 p.m** **Room 318** **\$75**

How to Get Natural A's

Any student can significantly enhance grades, self-confidence, and chances for scholarships and college admissions by performing academic skills aligned with the brain's natural patterns. This will make note-taking, reading, studying, memorizing, and test-taking amazingly efficient. Also discover simple methods for understanding math and other subjects, optimize focus and concentration, and prevent test anxiety. Ages 12 to adult (Parents can enroll too!). *Instructor:* Curtis Adney

Materials fee: \$30

Course #360004 **Saturday, August 1, 9 a.m.-noon** **Room 1611** **\$45**

Car Care for Everybody

Now you can learn how to take care of your car even before you get one! You'll be way ahead of the game and the envy of your friends. In Chabot's own auto technology lab, complete with actual cars and trucks the students work on, you will get an overview of the parts and systems of a car, including the engine, fuel, electrical, drive train, brakes, and suspension systems. You will also get tips and demonstrations on how to maintain your car to avoid future problems, like changing the oil on a regular basis. There will be plenty of handouts to take home and keep for future reference. Ages 12-adult, male AND female.

Instructor: Manuel Franko.

Course #420010 **Saturday, July 25, 11 a.m.-4 p.m.** **Room 1404** **\$55**
