Student Response to Instruction Form

1. The instructor knew the subject of the course in depth.

2. The instructor clearly communicated the things we were expected to learn (the course goals).

3. Exams and other graded assignments tested my learning of the course goals.

4. The instructor made the subject matter interesting.

5. The instructor found ways to help students answer their own questions.

6. I was encouraged to ask questions.

7. The instructor replied to my questions and provided feedback in a timely manner.

8. The required books were used in the class.

9. Graded assignments provided me with enough opportunity to show what I learned.
10. The instructor communicated with me in a respectful manner.

11. The instructor was open to a wide range of ideas and opinions.

12. The instructor made an effort to help me succeed.

13. The instructor organized the course effectively which made it easy to find the information I need.

14. The instructor has provided me with a variety of activities and materials that help me understand the subject.

What has your instructor done especially well in instructing this class? (What are the strengths of the class?)

What do you believe your instructor might do to improve instruction in this class? (What recommendations do you have for improving the class?)
