

Removed Features

The following features are no longer provided in Blackboard Learn:

- **Electric Blackboard:** Now students can use Journals to complete these same tasks—it is also much more full featured than the Electric Blackboard tool.
- **Digital Dropbox:** The more robust Assignments tool and the Group File Exchange meets the needs of individual users and groups for completing and managing course work.
- **Student Homepages:** The new Blogs tool enables students to express their thoughts and reflect on learning within a course. The My Places tool allows Student to post their avatar system-wide (instead of limited to the course environment) and includes additional functionality and a customizable set of links to frequently accessed information as well as tools to personalize a user's own experience.
