

## Mission

The Chabot College Alumni Association was created to establish mutually beneficial relationships between Chabot, the community, and alumni.

Through the strategic development of alumni benefits that allow former students access, we hope to continue and enhance your educational and lifelong experience.

The Chabot College Alumni Association will play a pivotal role in enhancing Chabot College's contribution to the community.

## How it all began . . . . .

Chabot College has come a long way since the college opened its doors in 1961. Today Chabot College serves 15,500 students, who are there to pursue various educational goals—graduate with an AA /AS degree or transfer to a four-year institution. Chabot College has students attending from all over the world and has representation from many cultural backgrounds.

In 2005, the Chabot College Foundation Board of Directors, along with

College President, Dr. Robert Carlson, decided that this fine institution of ours should have an Alumni Association to develop and maintain a continuing link among the alumni, the students, the College, and the community; to help the College carry out its mission; and to encourage the continued support of those who contribute to the financial-giving programs by the Foundation. The Foundation recruited one of its members to take the reigns and the Alumni Association was launched.

The Alumni Association would like to thank the Chabot College Foundation Board of Directors and the College President, Dr. Robert Carlson, for their support and dedication to the Alumni Association.

## MEMBERSHIP HAS ITS ADVANTAGES

As a member of the Chabot College Alumni Association (CCAA) you are part of an organized effort to preserve the great legacy of one of America's finest community colleges. Your membership gives you access to information, services, and helps you stay connected.

The mission of the CCAA is to engage and serve alumni, foster a lifelong connection between the College and its alumni and to foster goodwill and support for Chabot.

We do this through many venues including special interest chapter programs, membership benefits and services, continuing education opportunities, and outreach to current and potential students.

The CCAA represents thousands of former students and are supported by fellow Gladiators who have joined the Alumni Association. Membership dues support programs such as those mentioned above, and other activities such as student scholarships, faculty awards, Homecoming, Open House, and our Web site.

The future holds challenges and great promises for Chabot. As a unified alumni organization, our goals are to provide ongoing support for the College, to serve as advocates for this great institution, and to assist Chabot in maintaining its reputation for excellence.

## GOALS FOR THE ASSOCIATION

The goals of the Chabot College Alumni Association are to promote particular programs through active participation in College functions and Association activities and events. The Association will assist the College in maintaining its excellent name, reputation and recognition as an exemplary institution of higher learning.

## ALUMNI ASSOCIATION LEADERSHIP

The Chabot College Alumni Association Board of Directors is looking for your help to grow. The Board establishes Association policy and oversees the activities, programs and services provided by the Alumni Association. If you are interested in being a part of this organization and giving back through leadership and volunteerism as a board member or a committee member, please contact the Association at 510-723-6854.
