III. Course Review (5 years)

- Ed. Code requires that all courses are updated every five years. Are all of your courses updated? If not, do you want to maintain or continue these courses? Please indicate your plans in terms of curriculum. (Note: if you are planning a major or fundamental change in your curriculum which will become part of your program review project, your rock, you should indicate this and discuss with the committee.)
- Have all of your courses been offered recently? If not, why? Are students counting on courses to complete a program or major when these courses are not being offered?
