AA/AS Degrees Awarded 1990-91 to 2016-17

Transfer Degrees Push Total Degrees to Highest in 27 years

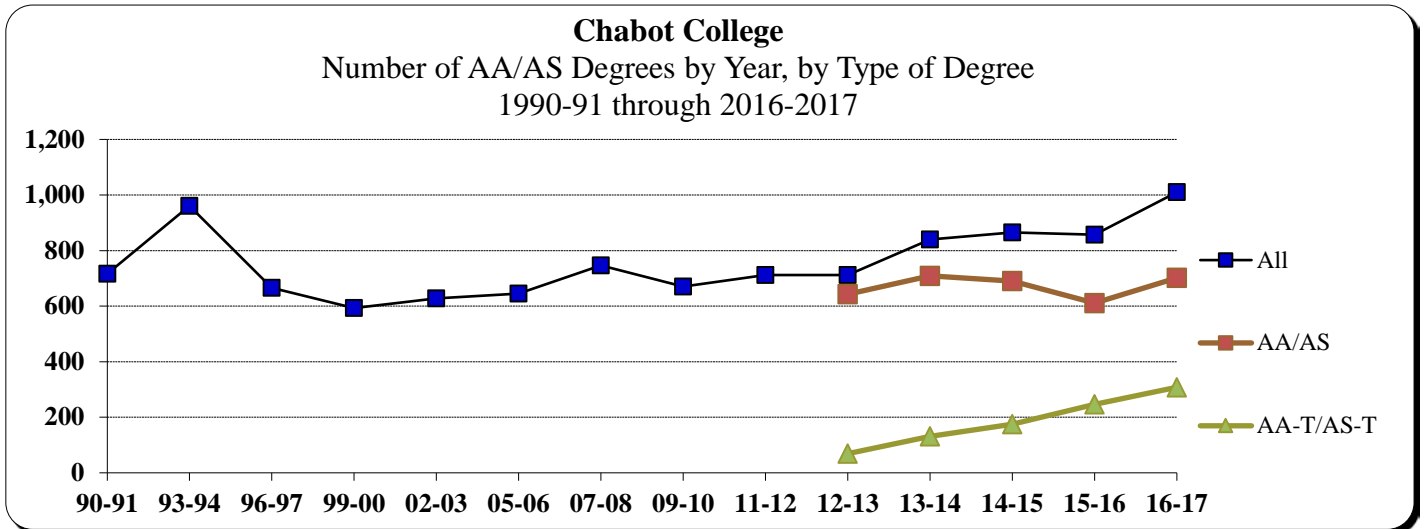

In 2016-17, the total number of Chabot degrees awarded reached 1,010, the highest in over 25 years. Transfer degrees again drove the increase, but a resurgence of AA/AS degrees also contributed. The last time that degrees totaled over 950 was in 1993-94, when students rushed to graduate before Chabot moved to the semester system.

This time, it appears that the creation of transfer degrees and revisions to AA/AS degrees have encouraged more students to apply for degrees. Transfer degrees allow students to graduate with a degree, meet CSU transfer requirements, and have a guaranteed place at CSU. Students love them, and they now represent almost one third of all degrees. To see all degrees by major, see the Degrees area of the Success and Outcomes page on the IR website (www.chabotcollege.edu/IR/).
