In Summer 2015, enrollments increased by nearly 3,000 over enrollments in Summer 2014. Enrollments are the number of class seats with registered students.

Overall success rates remained the same at 76 percent. Success rates were slightly higher in on-campus classes and in the 6-week sessions.

Summer 2015 offered the usual 6- and 8-week sessions, as well as two new 5-week sessions, which drew 1,500 of the 3,000 increase.
