Procedure

Who may check out Chabot Library Materials?

1. Currently enrolled students. Students must obtain their student identification card and present it when checking out materials or conducting any other library business.
2. Currently enrolled Las Positas College Students. Las Positas students must provide a current student identification card to check out materials.
3. Faculty, Staff, & Administrators. Faculty, staff, and administrators are encouraged to present their college identification card when checking out library materials. If such card is not readily available, the library staff can still check out materials provided the faculty/staff/administrator is found in the college database system.
4. Members of the community are welcome to use the resources in the Library. We are not able to check out our materials or allow computer use to non-students.
