Policy: District Computer Use

Policy

Per Board Policy 2311, the computing facilities of the Chabot-Las Positas Community College District are provided for use by registered students for instructional activities. Library computers should be primarily utilized to do research, writing and printing class papers, reports and projects, and any other scholarly endeavors. Students waiting to use computers for instructional purposes will be given priority over students accessing the Internet for non-instructional purposes. Use of District computers resources for unauthorized activities is prohibited. Unauthorized activities include, but shall not be limited to the following examples: use of passwords or accounts of another user, attempts to capture or crack passwords, attempts to use loopholes in computer security or special passwords to gain access to systems, obtain extra resources, creation or communication of viruses, worms, or Trojan horses, acts that restrict access to the system of damage the system, acts that threaten, or defame other persons and acts that violate any law.
