

# BOARD OF TRUSTEES REPORT & HOTSHEET

MAY 2011

CELEBRATING 50 YEARS OF EXCELLENCE

## SPRING STUDENT EVENTS

### INSIDE THIS ISSUE:

EVENTS CALENDAR	2
PROFESSIONAL DEVELOPMENT	2
MATH CONTEST	2
CONSTRUCTION UPDATE	3
HEALTH STATS	3

Don't forget about two upcoming and very important college wide events being scheduled for May, as follows:

### TRANSFER NIGHT

**Wednesday, May 4th, 4 p.m. to 6 p.m., Chabot College Cafeteria, Building 2300.** We are expecting over 40 universities and colleges to participate. In conjunction with the Chabot Bookstore's Grad Fair, coordinated by **Kathleen Kaser**, Chabot College Bookstore Manager, this will be

a combined event. Some of the colleges that will be present include: Academy of Arts University, Cal State East Bay, DeVry University, Menlo College, New School of Architecture & Design, Patten University, Sacramento State University, San Francisco State University, The Art Institutes, and UC Davis.

### TRANSFER CELEBRATION

**Tuesday, May 10th, 6 p.m. to 8 p.m., Chabot Events Center**

**(Room 722).** This event will celebrate our students who will be transferring this year. Chabot students and their families will be able to celebrate their accomplishments at this yearly event.

**Christine Acacio**, lead coordinator for this event and Chabot Counselor, invites all staff to attend this evening of recognition, celebration, and honoring our students who will be transferring this coming Fall 2011. .

## SPRING THEATER ARTS

### FLEA MARKETS

**Saturday, May 21st,  
8 a.m. to 5 p.m., Lot B.**

**Saturday, June 18th, 8 a.m. to 5 p.m., Lot B.**

**Saturday, July 16th, 8 a.m. to 5 p.m., Lot B.**

In May, Chabot Theater Arts will present **Emerging Work: Four Student Original Plays**. The Little Theater will be the venue for five nights showcasing the talents of Chabot students' playwriting. Emerging Work is unique to Chabot. This is the flagship of Chabot's playwriting program, where students have their plays fully produced for an audience for the first time. The cost to attend each evening's performance is only \$5 a person. Join the campus on Tuesday evening, May 10th, opening night for a show written by **Alicia Moss** titled, *Safe With Me*, and *Seven For Hope* written by **Jessica Caballero**. Starting at 8 p.m., Alicia's play will include a twisted mystery with plenty of great characterizations. Jessica's play will include a survival story with an eclectic set of wanderers.

**Maria Ritter** will feature her play, *Rough Me Up*, and

*State of Mind*, a play written by "**Kristi**", both on Wednesday evening, May 11th at 8 p.m. Maria's play will take a look at a rough and tumble set of people and circumstances. Kristi's play will include a fascinating journey into dream therapy and trauma.

On Thursday evening, May 12th, both *Safe With Me* and *Seven For Hope* will be featured for a second time starting at 8 p.m.

Maria's play, *Rough Me Up*, and Kristi's play *State of Mind*, will continue a second run at 8 p.m. on Friday evening, May 13th.

On Saturday evening, May 14th, all four shows will be presented in the Little Theater starting at 7 p.m. Tickets for an evening showcasing all four shows will be just \$5 per person.

## CHABOT CALENDAR OF EVENTS

### MAY

**Aspire Year-End**, Thursday, May 12<sup>th</sup>, 6 p.m., off-campus.

**Chabot College Commencement 2011**, Friday, May 27<sup>th</sup>, 6 p.m., Grand Court.

**Room Abbreviations:** LT-Little Theater; PAC-Reed L. Buffington Visual & Performing Arts Center.

### LATEST NEWS

Every year, Chabot has participated in the Student Math League Contest, a national test that is only eligible to two-year schools. Students who have earned a four-year degree or higher from any college globally are not eligible to participate. Chabot sends in its top five scores as its team score for each round. Each round is an extremely difficult 20-question, multiple-choice test in precalculus mathematics.

This year, **Chabot has ranked 18th out of 186 schools nationally**, the best test results ever! Chabot student **Mr. Jingwei You**, is recognized for his fine individual achievement. Amongst students in the West region, Jingwei's score for Round Two tied him for **18th** out of 617 students.

The top fourteen Chabot students this year for rounds one and two combined are: **Jingwei You, Elizabeth McCarthy, Linyi Xia, Heewon Woo, Kiyoen Kim, Artos Cen, Jacob Shaw, Ashley He, Yi Liu, Chi Hau, Zhen Lin, Michael Roberts, Corin Ennis, and Cynthia Rash**. The Chabot students with the top five scores are: **Jingwei You, Kiyoen Kim, Elizabeth McCarthy, Corin Ennis, and Linyi Xia**. The mean score was 3.5. Seventy-five students took the exam. Congratulations to our students!

## FALL PROFESSIONAL DEVELOPMENT OPPORTUNITY FOR ALL CHABOT REGULAR AND ADJUNCT FACULTY

Approximately forty Chabot instructors across disciplines have been trained in the central ideas and critical routines of Reading Apprenticeship. This is a research-based approach to academic literacy that focuses on making thinking and learning visible in classes across the curriculum. Reading Apprenticeship helps community college instructors engage, motivate, and empower students to develop the tools they need to improve their content-area learning.

A new cycle of professional development is planned for Fall 2011. Chabot Language Arts instructor **Cindy Hicks** and Life Sciences instructor **Patricia Wu**, both Regional Leaders in this approach,

will co-facilitate the training at Chabot College. Participants will practice classroom routines that engage students in powerful ways of reading academic texts. Videos and texts from community college classrooms form the basis of this inquiry-based learning experience.

All Fall 2011 participants are strongly encouraged to join a Faculty Inquiry Group that will meet in Spring 2012. This FIG will provide essential support as instructors begin to implement Reading Apprenticeship meta-cognitive routines in their classrooms. This group will be mentored by Cindy Hicks.

All Chabot College regular and adjunct faculty are invited to sign up for this free, three

-day seminar. Specific dates are to be announced. To sign-up and/or for additional information, please contact Jane Wolford, Chabot College Reading Apprenticeship Coordinator, at: [jwolford@chabotcollege.edu](mailto:jwolford@chabotcollege.edu).

## CONSTRUCTION UPDATE

**Metal Roof is Complete for the New P.E. Facility-** The standing seam metal roofing is complete for the 16,560 square-foot Physical Education Strength and Fitness Center. The exterior masonry, a split-face concrete block with integral color, is also complete and the precast concrete caps have been added. The project is scheduled to be complete in July 2011 but is running slightly behind schedule.

**Building 1400, Industrial Technology is Under Construction-** Construction continues steadily on the renovation to Building 1400, the Industrial Technology Building. The new masonry wall surrounding the expanded exterior yard is complete as is structural steel for the new addition. The project consists of renovations to the machine shop area, the tool room, welding area and labs. Two classrooms in Building 1600 are also part of the plan and will house the CNC (Computer Numeric Controls) Lab. This project is scheduled to be complete in August 2011.

**Building 300 Classroom Renovation:** Construction is proceeding rapidly on the renovation of Classroom Building 300. The

renovation consists of improvements to classrooms, computer labs, the Chabot College IT offices, and Media Services. Wood framing is substantially complete and the voluntary seismic upgrade is set to begin. The project is scheduled to be complete in January 2012.

**New Traffic Signal-** The contract for a new traffic signal has been awarded and shop drawings are working their way through the approval process. The new signal, located on Hesperian Boulevard between Depot Road and Turner Court, will provide for a safe and controlled exit from Chabot College's new Campus Drive. Actual excavations should begin this summer.

**Design Approvals are Underway-** Chabot College currently has two projects at DSA working through the approval process: Building 1700 and Building 1800, Science and Math building renovations and Building 1200 and the School of the Arts plaza renovations. We will have a busy bidding period as these projects are approved and released for bids.

## APRIL HEALTH CENTER STATS

### STATISTICS

**Total operation days:** 15 days.

**Total patients seen:** 614 patients.

**Number of patients seen by Nurse Practitioner:** 576.

**Number of walk-ins:** 200.

**Triage visit:** 3.

**Mental Health Counseling:** 43.

**Average student per day:** 52.
