IMPORTANT FINANCIAL AID INFO

This month for us is special, not just because it's Valentine's or because we'll have 28 days but because we'll be putting on the 6th annual Cash for College Festival on February 21, 2009.

What this means is that our students (and high school/college students in the community) will get assistance with the 2009-2010 FAFSA application, they'll learn about the various sources of financial aid, some folks will get their taxes done for free, some will win door prizes; and two lucky attendees will receive a \$1,000 dollar scholarship!!! The best part of this festival is that it's completely free!

We kindly invite you to read this pdf and we encourage you to share this information with our Chabot students.

To learn more about financial aid, please visit our homepage at www.chabotcollege.edu/finaid

If you are interested in donating a door prize for the festival, please contact me immediately at X7674.

Thank you,

## ***YOUR PERFUME or COLOGNE COULD BE DEADLY***

Just a reminder to Chabot - For individuals suffering from chemical sensitivities, even brief exposure to perfume, cologne, cigarette smoke (lingers on clothes), or other scented products can result in headaches, respiratory distress, disorientation, memory problems, attention deficits, visual disturbances, and debilitating fatigue. These problems can persist for hours or even days after exposure. For some individuals, exposure to perfumes can result in anaphylactic shock --an extreme, life-threatening allergic reaction.

Because there are individuals among the staff and students who have chemical sensitivities, we are asking all students, faculty, and staff to refrain from wearing perfumes, colognes, and other scented products. Please be aware, too, that perfumes lingering on previously worn clothing can also cause a reaction in a chemically sensitive person.

Please pass this information onto students as well. We greatly appreciate your assistance in keeping our environment safe and fragrance free.

Thanks you ,
