

## Fall 2021 Comprehensive Program and Area Review (PAR):

### Academic Programs

Dear Chabot Community,

Welcome to Fall 2021! This is the electronic template for the **Academic Programs Fall 2021 Comprehensive Program and Area Review (PAR)**. We encourage you to work together with your program or service area to complete these questions collaboratively. One way to facilitate real-time collaboration is to upload these questions into a google doc. Please submit your completed template with attachments to your Dean/Manager by **10/11/21**. Your Dean/Manager will provide you with feedback. After you receive their feedback, you will then enter the information from your template (and attachments) into Qualtrics by **10/25/21**. Importantly, your PAR is NOT complete until you submit your responses on Qualtrics.

Please reach out to the PAR shared governance committee if you have any questions about filling out your Fall 2021 PAR! Co-Chairs: Deonne Kunkel Wu [dkunkelwu@chabotcollege.edu](mailto:dkunkelwu@chabotcollege.edu) and Cynthia Gordon da Cruz [cgordondacruz@chabotcollege.edu](mailto:cgordondacruz@chabotcollege.edu).

---

### Background Information:

- What organizational unit does your program/area belong to?

☒ Academic Services  
☐ Administrative Services  
☐ Student Services  
☐ Office of the President

- Name of your Program, Discipline, Area or Service:

---

- Name(s) of the person or people who contributed to this review: **Frank Ko, Nabil Alhamal**

---

- What division does your Program/Area reside in?

☐ Academic Pathways and Student Success  
☒ Applied Technology and Business  
☐ Arts, Media, and Communication  
☐ Counseling  
☐ Health, Kinesiology and Athletics  
☐ Language Arts  
☐ Science and Mathematics  
☐ Social Sciences  
☐ Special Programs

---

### Status of Program Goals from Prior Comprehensive PAR Cycle

- Please refer to the goals/new initiatives you established in the last comprehensive PAR cycle. The last comprehensive PAR was written in Fall 2017 to plan for 2018-19; 19-20; and 20-21. If you need a reminder of your goals, you can access them in the [PAR App Program Review Reports](#).

Click on:

- [PAR App Program Review Reports](#).

- Then “Select Academic Year” on the top (choose 2018-19)
- Then “Submissions” (in the left hand toolbar)
- Then find your area and click “View” in the right most column
- For **Academic Areas**, find question 8: “Reflecting on your answers to questions 1-7, what are your top goals (no more than 5) for the next three years?”
- For **Service Areas**, find question 8: “Reflecting on your answer to questions 1-7, what new initiatives (no more than 5) do you propose for the next three years?”
- For **Administrative Areas**, find question 9: “Reflecting on your answers to questions 1-8, what are your top goals (no more than 5) for the next three years?”

You should be able to view the goals you submitted in the last comprehensive PAR, which was written in Fall 2017 to plan for the three-year cycle starting in 2018-19. Please note that the “goals” you established are distinct from the outcomes for your service area (SAOs) or program area (PLOs). In general, SAOs and PLOs tend to be enduring and overarching aims for your service/program, whereas the goals for a comprehensive PAR year are more specific, are expected to be completed over the PAR cycle, and are often part of a concrete action plan to reach your overarching and enduring SAOs and PLOs. For example, one of the Learning Connection’s SAOs is: “Students from diverse backgrounds and with diverse learning needs will receive tutoring that improves their abilities to complete assignments, study, and/or succeed in their courses.” This is an enduring aim that is unlikely to change from PAR cycle to PAR cycle. A PAR goal for the Learning Connection might be to refine the student diversity and antiracist tutoring practices training for incoming tutors. This goal is specific, expected to be completed over the PAR cycle, and supports their SAO (if incoming tutors are trained in antiracist tutoring practices, they will be well-equipped to support students with diverse learning needs).

Goal from Previous Cycle	Status of Goal	Outputs or measures (e.g students served, program change made, etc.) Please explain.
1. New course outlines proposed and currently going through review in Curriculum Committee: <ul style="list-style-type: none"> <li>• ESYS 53A Introduction to Fiber Optics</li> <li>• ESYS 53B Fiber Communication</li> <li>• ESYS 59A Introduction to Premise Wiring</li> <li>• ESYS 59B Premises Communications</li> </ul>	<input type="checkbox"/> Achieved <input type="checkbox"/> In Progress <input type="checkbox"/> Not achieved but still relevant <input checked="" type="checkbox"/> Not achieved and no longer relevant	Program revised in curriculum in a different direction.
2. One section of ESYS 50 being offered as a Day class in the Spring of 2020 to accommodate needs of Day students.	<input checked="" type="checkbox"/> Achieved <input type="checkbox"/> In Progress <input type="checkbox"/> Not achieved but still relevant <input type="checkbox"/> Not achieved and no longer relevant	Enrollment in “feeder class” enhanced.
3. 1602 and 1616 Lab Benches redesigned with new butcher block countertops, removal of unused old green metal drawers and replaced with slender steel stands to increase knee space to allow for more efficient use by students. This allowed number of computer stations per aisle to increase from 6 to 7.	<input checked="" type="checkbox"/> Achieved <input type="checkbox"/> In Progress <input type="checkbox"/> Not achieved but still relevant <input type="checkbox"/> Not achieved and no longer relevant	Better physical conditions in LAB promotes greater engagement and comprehension.

4. 1602 and 1616 Labs to be fitted with more computer stations to better accommodate student needs. 1602 is planned to grow from 28 to have a total of 40 computers. 1616 has 12 computers now and planned to grow to a total of 24 computers.	<input type="checkbox"/> Achieved <input checked="" type="checkbox"/> In Progress <input type="checkbox"/> Not achieved but still relevant <input type="checkbox"/> Not achieved and no longer relevant	We have increased the number of network connection cables to accommodate.
5. 1616 Lab is planned to have a doubling of the number of soldering stations from 12 to 24 to better accommodate student needs.	<input checked="" type="checkbox"/> Achieved <input type="checkbox"/> In Progress <input type="checkbox"/> Not achieved but still relevant <input type="checkbox"/> Not achieved and no longer relevant	Better physical conditions in LAB promotes greater engagement and comprehension.
6. New computers are planned for ESYS 63A and 63B as the existing computers servicing those classes have run their course with many no longer working and not appropriately accommodating the curriculum of the CISCO IT Essentials used for these classes.	<input checked="" type="checkbox"/> Achieved <input type="checkbox"/> In Progress <input type="checkbox"/> Not achieved but still relevant <input type="checkbox"/> Not achieved and no longer relevant	Better equipment in LAB promotes greater engagement and comprehension.
7. More direct one-on-one counseling sessions with each ESYS student to direct them to nearest Certificate of Achievement as they progress through our program.	<input type="checkbox"/> Achieved <input checked="" type="checkbox"/> In Progress <input type="checkbox"/> Not achieved but still relevant <input type="checkbox"/> Not achieved and no longer relevant	
8. The accounting for costs for annual updates for software required in our 1602 and 1616 Labs are well documented.	<input checked="" type="checkbox"/> Achieved <input type="checkbox"/> In Progress <input type="checkbox"/> Not achieved but still relevant <input type="checkbox"/> Not achieved and no longer relevant	Better bookkeeping.
9. Consumables and needed repair parts for Lab equipment are well documented.	<input checked="" type="checkbox"/> Achieved <input type="checkbox"/> In Progress <input type="checkbox"/> Not achieved but still relevant <input type="checkbox"/> Not achieved and no longer relevant	Better bookkeeping.
10. Funding for annual software maintenance contracts, consumables, needed repair costs, replacement equipment and equipment for new programs and courses are planned to be sourced through a combination of Perkins, Strong Workforce, Lottery and General Funds.	<input checked="" type="checkbox"/> Achieved <input type="checkbox"/> In Progress <input type="checkbox"/> Not achieved but still relevant <input type="checkbox"/> Not achieved and no longer relevant	Better utilization of funding opportunities.

---

## Learning Outcomes Assessment Results

### SLOs:

**Student Learning Outcomes (SLOs):** SLOs are the outcomes that instructors aim for students to successfully reach by the end of a course. SLOs should be established for each course, listed in CurricUNET, displayed on all course syllabi, and assessed in CurricUNET on a 5-Year cycle. The following questions are about SLO assessment.

- How many courses in your discipline have SLOs developed and listed in CurricUNET?

☒ All courses  
☐ Almost all or most courses  
☐ About half of the courses  
☐ A few courses  
☐ No courses

If any courses do not have SLOs, please explain why.

---

- How many courses in your discipline have rubrics (or some other form of assessment) developed to measure SLOs?

☒ All courses  
☐ Almost all or most courses  
☐ About half of the courses  
☐ A few courses  
☐ No courses

If any courses do not have rubrics to measure SLOs, please explain why.

---

- How many courses in your discipline had their SLOs assessed and recorded in CurricUNET in the 5-year cycle?

☒ All courses  
☐ Almost all or most courses  
☐ About half of the courses  
☐ A few courses  
☐ No courses

If any courses were not assessed in the five-year cycle, please explain why.

---

- Assessing SLOs has led to improvements in my area.

☒ Strongly disagree  
☐ Somewhat disagree  
☐ Neither agree nor disagree  
☐ Somewhat agree  
☐ Strongly agree

### PLOs:

Certificate and Degree programs also establish and assess **Program Learning Outcomes (PLOs)**. PLOs are the outcomes students should successfully reach when they complete all the requirements for a certificate or degree program. PLOs are also assessed in CurricUNET on a 5-year cycle.

- Were all Program Learning Outcomes (PLOs) assessed in the 5-year cycle in CurricUNET?

☒ Yes, all PLOs were assessed in the 5-year cycle.

☐ Almost all PLOs were assessed in the 5-year cycle.

☐ No, many PLOs were not assessed in the 5-year cycle.

If any PLOs were not assessed in the five-year cycle, please explain why.

---

---

- Assessing PLOs has led to improvements in my area.

☒ Strongly disagree

☐ Somewhat disagree

☐ Neither agree nor disagree

☐ Somewhat agree

☐ Strongly agree

## Institutional Supports and Barriers

Reflect on your experiences, data, and/or previous program reviews and consider what work in your discipline/service area you are most proud of and what problems remain a major challenge. Then respond to the following questions:

- What institutional-level supports or practices were particularly helpful to **your program or area** in reaching its PAR Goals, SLOs, PLOs, SAOs, and/or the college mission?

---

---

- What institutional-level barrier or challenges prevented or hindered **your program or area** from reaching its PAR Goals, SLOs, PLOs, SAOs, and/or the college mission?

---

---

- What institutional-level supports or practices do employees in your program/area believe are particularly helpful **to students** in reaching their educational milestones and/or goals? (i.e., from your vantage point, what does Chabot do for students that we should **keep** doing?)

**General support such as access to healthcare, mental health support, food and life pantry, clubs etc.**

---

---

- What institutional-level barriers or challenges do employees in your program/area believe are a hindrance **to students** in reaching their educational milestones and/or goals? (i.e., from your vantage point, what does Chabot do that we should **stop** doing or **change** to better support our students?)

**More counseling awareness of our programs are needed, it seems there are students who never even learn the vocational trades are an available and viable option. We need better IT support, especially when it comes to getting clear ideas of what the policies are of what we can and can't do, and possibly training to better understand these policies and comply with them. There are some difficulties in collaboration between departments**

---

---

## Academic Programs/Disciplines Data

In order to reach Chabot's mission, the college looks at the following outcome metrics to evaluate previous program success and plan for the future. Some outcomes will be more applicable to particular programs in specific PAR cycles;

**Proposals are being developed for 7 non-credit ESYS courses mirroring our credit based courses. The NC courses are to fulfill the needs of:**

1. take an ESYS course as a refresher where they cannot repeat a credit course
2. take an ESYS course to see if student desires to pursue the ESYS program for credit
3. take an ESYS for skills/career enhancement without obligation to commit to entire program

It is hoped that the addition of these NC courses will achieve greater student success and program productivity.

- Are there any classes in your discipline which routinely fill to capacity and for which there is often a waitlist? If yes, please list here.

**ESYS 69 and ESYS 57**

### Enrollment Disaggregations:

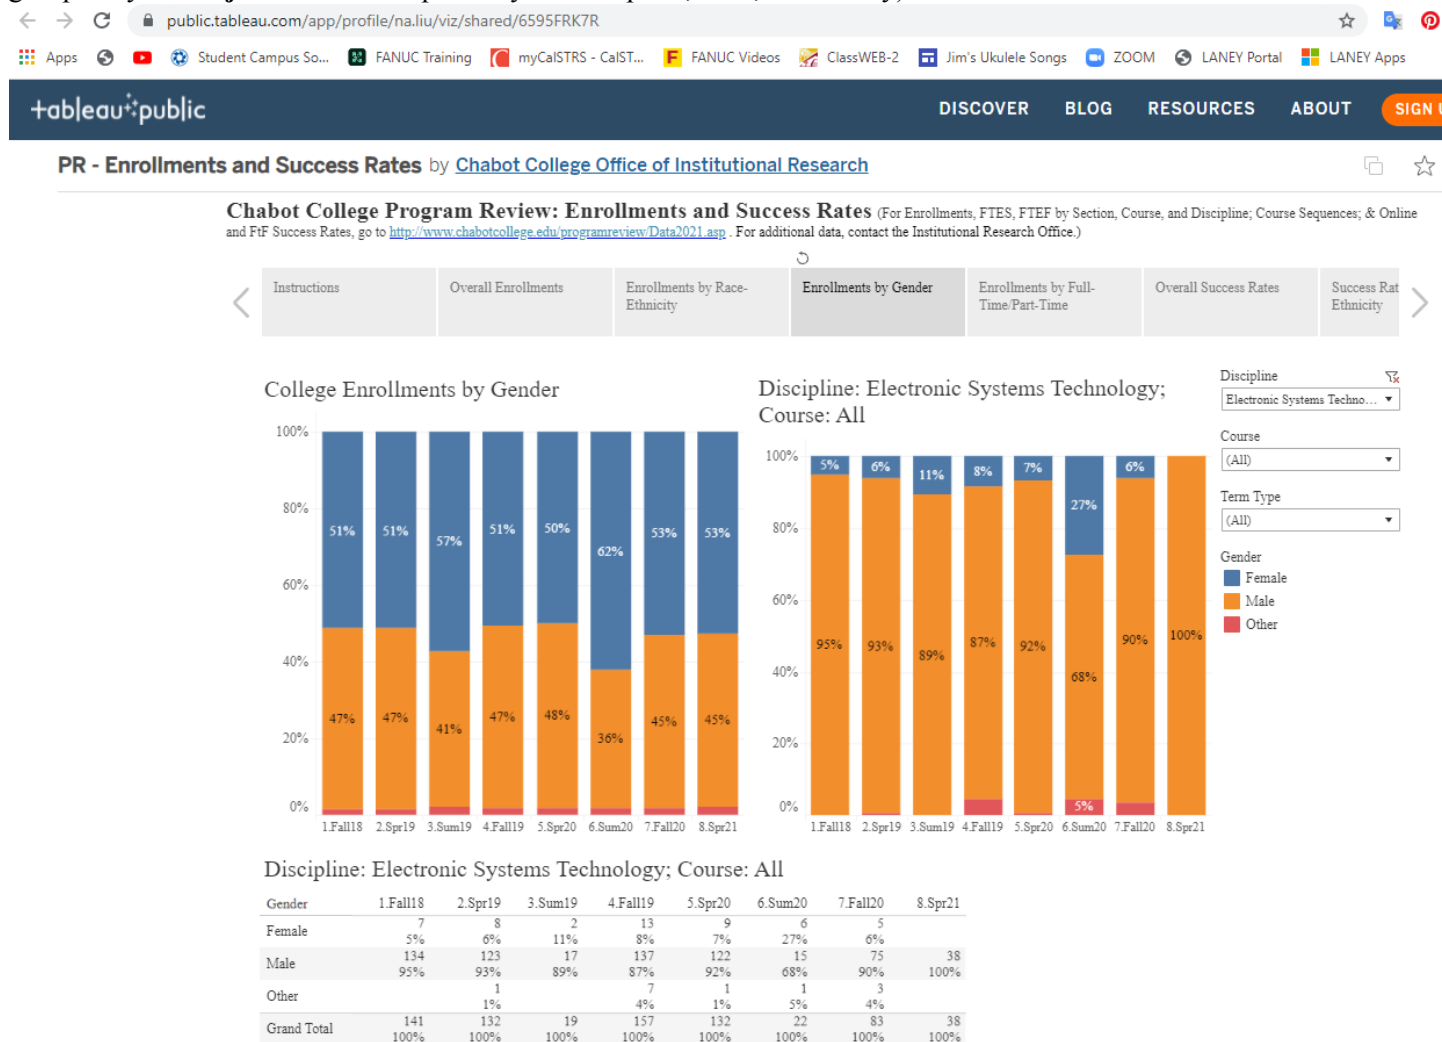

*Enrollments*\* can be disaggregated by race and ethnicity, gender, etc.

\*Enrollments are the total number of class enrollments/seats in a given time period. A student enrolled in multiple courses increases the count for each of those courses. This is a count of *seats filled*, not a count of persons filling them.

Take a look at disaggregation of your enrollments by race and ethnicity (and/or by gender) over the past three years on the [Chabot College Course Enrollments and Success Rates Dashboard](#). Consider how the representation of traditionally underrepresented race/ethnicity/gender student groups in your program compares to the typical makeup of your discipline, field, or industry (and/or for disciplines with large percentages of General Education enrollments—like English, math and communication studies—consider how the representation of traditionally underrepresented **race/ethnicity/gender** student groups in your **major courses** compare to your discipline, field, or industry).

- The representation of traditionally underrepresented race/ethnicity/gender student groups in our **discipline/major** compared to our industry/field:  
**x** could be improved.  
 \_\_\_ is just right.  
 \_\_\_ is outstanding - we are increasing the diversity of the field.

For disciplines with a high percentage of offerings that are required for General Education—such as English, math, or communication studies—please also compare the representation of traditionally **underrepresented race/ethnicity/gender student groups/disproportionately impacted groups (DI Groups)** in your **general education** classes to the overall student body population.

- DI Groups in our **general education** classes:  
**x** are **underrepresented** in comparison to their representation in the student body. **INDT-74**  
 \_\_\_ have **similar representation** in comparison to their representation in the student body.  
 \_\_\_ are **overrepresented** in comparison to their representation in the student body.  
 \_\_\_ Not applicable, our discipline does not have high enrollments in general education classes.

Please provide a brief explanation that would help the college understand these trends (e.g., tangible reasons to understand the representation of DI groups in your general education classes at Chabot).

**Whites and women are under-represented in our ESYS program as most whites/women seem to prefer the non-technical, hands-on, CTE based programs.**

### Non-Credit

- Does your program/area offer non-credit classes?

☐ Yes

☒ No

- Over the next 3 years, non-credit course offerings in our program/area are planned to:

☐ Decrease

☐ Stay the same as they are now

☒ Increase

### Course success rates

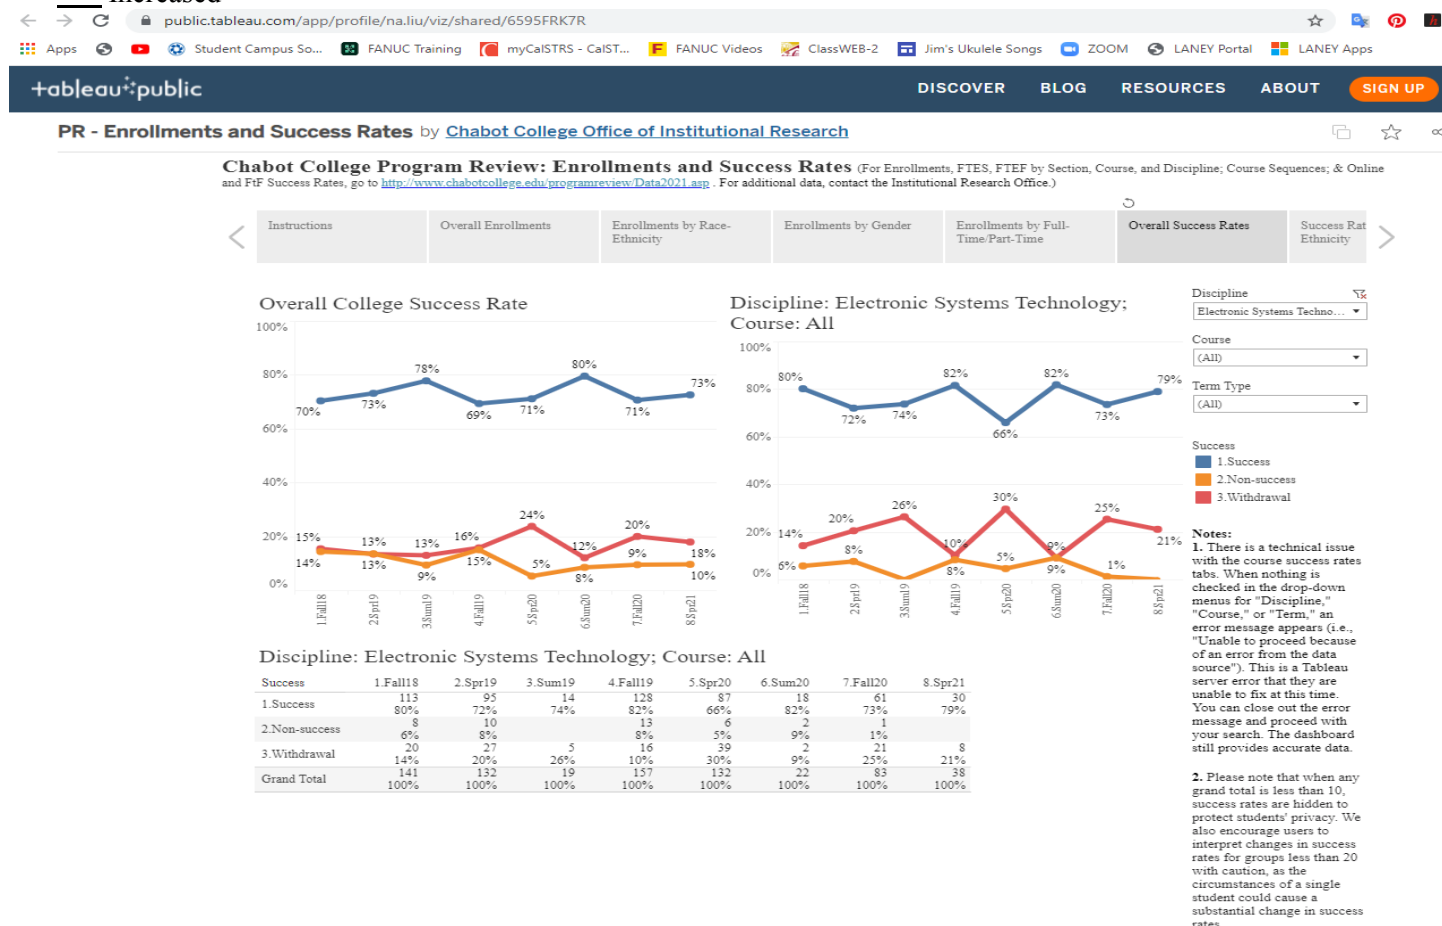

Refer to the [Chabot College Course Enrollments and Success Rates Dashboard](#).

- Over the past three years, how have course success rates in your discipline changed? Course success rates have:

☐ Decreased

☒ Stayed roughly the same

☐ Increased

Use the [Chabot College Course Enrollments and Success Rates Dashboard](#) to disaggregate your course success rates. Do any populations jump out to you as disproportionately impacted (succeeding at lower rates than students from other racial/ethnic, gender groups, or the overall college average)?

- Check all groups that are **disproportionately impacted** (succeeding at lower rates than students from other racial/ethnic, gender groups, or the overall college average):

- \_\_\_ African American/ Black
- \_\_\_ Asian American/ Asian
- \_\_\_ Filipino/x
- \_\_\_ Latinx/ Chicanx
- \_\_\_ Native American/ Alaska Native
- \_\_\_ Pacific Islander/ Hawaiian
- x** White/ European American
- x** Female
- \_\_\_ Male

**Chabot College Program Review: Enrollments and Success Rates** (For Enrollments, FTES, FTEF by Section, Course, and Discipline; Course Sequences; & Online and FtF Success Rates, go to <http://www.chabotcollege.edu/programreview/Data2021.asp>. For additional data, contact the Institutional Research Office.)

**Chabot College Program Review: Enrollments and Success Rates** (For Enrollments, FTES, FTEF by Section, Course, and Discipline; Course Sequences; & Online and FtF Success Rates, go to <http://www.chabotcollege.edu/programreview/Data2021.asp>. For additional data, contact the Institutional Research Office.)

**Fact: the tech industry is male dominated. It should not be this way in an ideal world. Although more and more women are embracing the opportunities in tech, the population of women is still disproportionately low.**

**White/European American would be another group for disaggregation per our Dashboard Data:**

Increased

**Chabot College**  
**Number of Degrees Awarded in Academic Years 11-12 to 20-21**  
**(AA / AA-T / AS / AS-T Combined)**

Chabot College Office of Institutional Research  
Awards by major 20210910\_NL  
Friday, September 10, 2021  
Page 1 of 3

OIR now has two separate certificate reports: Chancellor Approved Certificates by Discipline and All Certificates by Discipline.

- Over the past 3 years, what is the trend in **Chancellor-Approved** certificates awarded in your program(s)?

☒ Decreased

☐ Stayed roughly the same

☐ Increased

- Please provide a brief explanation that would help the college understand these trends in degree and certificate completion. (e.g., tangible reasons for the increase or decrease).  
**COVID caused a decrease during past year. As more students feel more comfortable in returning to campus, we should see these numbers rise.**
- If your area does not produce a lot of degrees or Chancellor-approved certificates, is there an associated industry test for which you are preparing students or non-Chancellor-approved certificates? If you have any data on success rates or numbers for the industry certification/test or for non-Chancellor-approved certificates, please share. (Optional)  
**Yes, CompTIA A+ certification. We don't have data on success rates.**
- What barriers make it difficult for students to complete your program? Are there any barriers that could be disproportionately experienced by students from a particular demographic group (e.g., racial/ethnic, age, disability status, parents, etc.)  
**Most of our students work full-time then take courses in the evenings possibly leading to less than desired educational outcomes, most college supports for our students are not available because of the hours the courses are taught,**

## Staffing Analysis

In this section you will analyze trends in staffing, technology, and facilities.

Staffing	Current # (Fall 2021)	How has staffing for this group changed in the last 3 years (decrease, flat, increase)
Full-time Faculty	1	<input type="checkbox"/> Decreased <input checked="" type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased
Part-time Faculty	0	<input checked="" type="checkbox"/> Decreased <input type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased
Full-time Classified Professionals	1	<input type="checkbox"/> Decreased <input checked="" type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased
Part-Time Permanent or Hourly Classified Professionals	0	<input type="checkbox"/> Decreased <input checked="" type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased
Student Employees	0	<input checked="" type="checkbox"/> Decreased <input type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased
Independent Contractors/Professional Experts	0	<input type="checkbox"/> Decreased <input checked="" type="checkbox"/> Stayed roughly the same <input type="checkbox"/> Increased

**Academic Disciplines Only:** Compare changes over the past three years in the FTES/enrollment in your area with changes in staffing in this same time period. What do you notice?

**A decrease due to our 1 ESYs adjunct not coming onto campus due to COVID concerns.**

---

Compare the representation of DI populations in your program's/area's staffing (faculty, classified professionals, and administrators) to the representation of DI populations in the students you serve. What do you notice? If there is a gap in representation between students and the Chabot professionals who serve them, how has your program/area addressed that gap?

**The comparison shows equity in the representations of DI populations in ESYs program area staffing to the representation of DI populations in the students we serve.**

---

### Technology

- The **technology** in our program/area is sufficient to support student learning and/or carry out our program/area outcomes and goals.  
☐ Strongly disagree  
☒ Somewhat disagree  
☐ Neither agree nor disagree  
☐ Somewhat agree  
☐ Strongly agree

If you strongly disagree or somewhat disagree, please explain. (optional)

**Somewhat disagree due to equipment used for LABs needs to be refreshed to keep skills of students more competitive in the job markets they seek after graduating.**

---

### Facilities

- The **facilities** in our program/area are sufficient to support student learning and/or carry out our program/area outcomes and goals.  
☐ Strongly disagree  
☒ Somewhat disagree  
☐ Neither agree nor disagree  
☐ Somewhat agree  
☐ Strongly agree

If you strongly disagree or somewhat disagree, please explain. (optional)

**Somewhat disagree due to limited space for current and future needs of our ESYs Program.**

---

### Professional Development

- In general, **Faculty members** in my program/area regularly participate in professional development activities offered **by/at Chabot.**  
☐ Strongly disagree  
☐ Somewhat disagree  
☐ Neither agree nor disagree  
☒ Somewhat agree  
☐ Strongly agree
- In general, **Classified Professionals** in my program/area regularly participate in professional development activities **offered by/at Chabot.**  
☐ Strongly disagree  
☐ Somewhat disagree  
☐ Neither agree nor disagree  
☒ Somewhat agree  
☐ Strongly agree

- In general, **Faculty members** in my program/area regularly participate in professional development activities offered **outside of Chabot**.  
☐ Strongly disagree  
☐ Somewhat disagree  
☐ Neither agree nor disagree  
☒ Somewhat agree  
☐ Strongly agree
- In general, **Classified Professionals** in my program/area regularly participate in professional development activities offered **outside of Chabot**.  
☐ Strongly disagree  
☐ Somewhat disagree  
☒ Neither agree nor disagree  
☐ Somewhat agree  
☐ Strongly agree
- How did these professional development experiences contribute to improving your program/area, equity, and/or student learning and achievement?  
**For faculty: My participation in professional development opportunities brings knowledge of current trends in technology pertinent to enhancing students' skills directly into the classrooms!**  
**For Classified Professionals: participation in professional development activities was restricted in indirect ways, mostly by having an uncertain schedule. This has improved since October 2020. Professional development through CLIP allowed collaboration with many different areas of the Campus and the District. safety training has also began to occur, allowing future improvement of safety practices.**

## Program Maps and Equity in Scheduling

The data in this section is intended to support the further development of Guided Pathways at Chabot. Respondents' answers will be given to the Guided Pathways Steering Committee for analysis.

- **Turning in Program Maps:** A first draft of your **Program Map** for each credit degree and certificate offered within your discipline was due in May. If you already submitted all Program Maps and have no required changes or new program modifications, then you're done for now! If you did not turn in all program maps *or* changes are required *or* you have new program modifications, then please submit these Program Maps by **October 11th, 2021**. You can submit your Program Map(s) by following these steps: 1) go to [this template in Google Docs](#),\* 2) click on "file," 3) choose "make a copy," 4) click on "share with the same people," 5) rename it for the degree/certificate that you are creating and 6) update the file to your program map. Then it will *automatically be stored* in the folder for submitting it to Guided Pathways.  
 \*There appears to be a current bug in Microsoft Products that does not allow links to google docs to automatically open (for some people). If you cannot open the link above, try manually copy pasting the address into a browser window. [https://docs.google.com/document/d/1zU4G\\_Kps1CNYmR8ZOczX8RergfkJLPpU\\_XU3KfQC86s/edit](https://docs.google.com/document/d/1zU4G_Kps1CNYmR8ZOczX8RergfkJLPpU_XU3KfQC86s/edit)
- Have you completed all program maps for your discipline?  
☒ **Yes** (or we will do so by the deadline).  
☐ No, because one or more of our program(s) is/are being discontinued (please fill in name of program in space below).  
☐ No, because one or more of our program(s) cannot currently be completed because not all classes have been offered recently or will be offered in the next 3 years (please fill in name of program in space below).  
☐ No, for another reason... (please fill in the reason below).

If you checked off "No" above, please explain.

- Can a student who is working toward the degree(s)/certificate(s) in your area take all their required courses for this program: 1) during the day or 2) in the late afternoon/evening/weekend or 3) online? What changes would be needed to ensure access for students in all three scenarios?

1) during the day = NO; 2) in the evening = YES; 3) online = NO

**Changes needed for all 3 scenarios include increasing enrollment, faculty, staff**

- How are you collaborating with other disciplines with whom you share students to ensure that your schedules are not conflicting, so that students with specific educational goals can take the courses they need to finish in a timely fashion? Please discuss the discipline(s) with whom you already collaborate, as well as any discipline(s) with whom you would like to start collaborating.

**Collaborating with ENGR to reduce overlap of use of LAB 1602 and LAB 1616**

- Are there any classes in your discipline that you do not offer every semester or every year that are required for any of your degrees or programs? In an *ideal* world, with perfect coordination and infrastructure, how would you want to communicate which **required courses** are **not** offered in all semesters to: 1) counselors, 2) other faculty, and 3) students? (If you offer all classes required for degrees/certificates in all semesters, then you can write NA.)

**As noted in the 3 ESYS MAPs: ESYS 54, 57, 63 = Fall only, ESYS 55 & 69 = Spring only**

**Need to communicate more with counselors regarding these concerns.**

## Planning

**Program/Area Goals:** Please reflect on: 1) all the data you have reviewed, 2) the questions you have answered in this comprehensive PAR template, and 3) the various college planning documents (e.g., shorter term planning documents like the [College's Planning Priorities](#) (PRAC will post when complete), [President's College Planning Initiatives](#), and [Strategic Plan](#), all of which lead into the long-range planning document, the [Educational Master Plan](#)). Utilize your reflections, along with college planning documents, to develop 1-3 Goals to work on up through the next comprehensive-year PAR cycle. What are the anticipated *outputs*\* and *outcomes*\*\* of your goals? How do your goals align with the [Educational Master Plan \(EMP\)](#)? Do your goals support the success of any DI Groups? Do your goals support any of the Student Centered Funding Formula (SCFF)\*\*\* metrics?

\*outputs: direct short-term results like # of students served, workshops held, etc.

\*\*outcomes: longer-term results like course success rates or degrees earned

\*\*\*The Student Centered Funding Formula is the way all CA CC districts will be funded once the "hold harmless" period of funding expires.

**Remember:** Whereas **SAOs/PLOs** tend to be enduring and overarching aims for your service/program, the **goals** for a comprehensive PAR year are more specific, are expected to be completed over the PAR cycle, and are often part of a concrete action plan to reach your overarching and enduring SAOs/PLOs. For example, one of the Learning Connection's SAOs is: "Students from diverse backgrounds and with diverse learning needs will receive tutoring that improves their abilities to complete assignments, study, and/or succeed in their courses." This is an enduring aim that is unlikely to change from PAR cycle to PAR cycle. A PAR goal for the Learning Connection might be to refine the student diversity and antiracist tutoring practices training for incoming tutors. This goal is specific, expected to be completed over the PAR cycle, and supports their SAO (if incoming tutors are trained in antiracist tutoring practices, they will be well-equipped to support students with diverse learning needs).

Goal	Briefly describe the expected <i>outputs</i> (e.g., direct short-term results like # of students served, workshops held, etc) or <i>outcomes</i> (e.g., longer-term	EMP Alignment	Equity DI Group Alignment	SCFF Metric Alignment
------	---	---------------	---------------------------	-----------------------

	results like course success rates or degrees earned) for your goal.			
1. Develop 7 non-credit ESYS courses to mirror our existing 7 ESYS credit courses.	<p>Increase enrollment across all ESYS courses, increase sustainability of ESYS program by offering new students the opportunity to:</p> <ol style="list-style-type: none"> <li>1. take an ESYS course as a refresher where they cannot repeat a credit course</li> <li>2. take an ESYS course to see if student desires to pursue the ESYS program for credit</li> <li>3. take an ESYS for skills/career enhancement without obligation to commit to entire program</li> </ol> <p>It is hoped that the addition of these NC courses will achieve greater student success and program productivity.</p>	<input checked="" type="checkbox"/> Equity <input checked="" type="checkbox"/> Access <input checked="" type="checkbox"/> Pedagogy and Praxis <input checked="" type="checkbox"/> Academic and Career Success <input checked="" type="checkbox"/> Community and Partnerships	<input checked="" type="checkbox"/> African American/Black <input checked="" type="checkbox"/> Latinx <input checked="" type="checkbox"/> Native American/Alaska Native <input checked="" type="checkbox"/> Pacific Islander/Hawaiian <input checked="" type="checkbox"/> Disabled <input checked="" type="checkbox"/> Foster Youth <input checked="" type="checkbox"/> LGBT <input checked="" type="checkbox"/> DI Gender <input type="checkbox"/> Other _____	<input checked="" type="checkbox"/> Enrollment/FTES <input type="checkbox"/> Transfer level English, math or ESL achievement <input checked="" type="checkbox"/> Degree or certificate completion <input type="checkbox"/> Transfer <input checked="" type="checkbox"/> CTE Units <input checked="" type="checkbox"/> Attainment of a Living Wage <input type="checkbox"/> Supplemental Metric (Financial aid or AB 540) <input type="checkbox"/> Other _____

## Resource Requests

**Contracts and Services Requests:** Contracts and Services include things like equipment maintenance contracts, food vendors, external consultants or speakers. Criterion for distributing funding vary by committee (check out the [Resource Allocation Rubrics](#) available on PAR's website), but are consistently based on the [Educational Master Plan](#), the [College's Planning Priorities](#), and the [President's College Planning Initiatives](#).

\*Note: If your request is part of a larger project, please name the project and use the same project name for all requests related to the project so that committees can see the total cost of the project. We don't currently have a good system for different shared governance committees to come together and see the total cost of projects across resource requests that go to different committees. Adding this column to Program and Area Review is the *start* to figuring out a good process for this.

	<b>Rank</b> (1, 2, 3, etc. after all requests have been entered)	<b>Project Name</b> Use the same project name for all requests related to a large project or put 'individual request'	<b>New, Updated, or Repeat Request</b>	<b>Vendor Name</b>	<b>Brief Job Description/Tasks</b>	<b>Justification</b> <b>BRIEFLY</b> justify how this spending relates to the EMP, College's Annual Planning Priorities and/or President's Planning Initiatives (2-3 sentences).	<b>Length of Contract in Months</b> (1, 2, 10, 12, etc.)	<b>Year(s) Needed</b>	<b>Estimated Cost Per Year</b> (Total \$)
<b>Item 1</b>	1		<input type="checkbox"/> New <input type="checkbox"/> Updated <input checked="" type="checkbox"/> Repeat	Buckles-Smith	Rockwell MicroLogix TechConnect Agreement	Needed for support of ESYS 57 on the SMC IPC 200 Training Systems	12	<input checked="" type="checkbox"/> Annual <input type="checkbox"/> 2022-23 <input type="checkbox"/> 2023-24 <input type="checkbox"/> 2024-25	1100.00

Item 13	2	Delvie's Plastics	<input type="checkbox"/> New <input type="checkbox"/> Updated <input checked="" type="checkbox"/> Repeat	Acrylic sheets for fabrication, plastic hardware (knobs, hinges etc), acrylic glue, acrylic cleaner.	Annual costs of consumables to sustain the ESYS program which supports Chabot's EMP and coincides with our Mission Statement.	assorted	<input checked="" type="checkbox"/> Annual <input type="checkbox"/> 2022-23 <input type="checkbox"/> 2023-24 <input type="checkbox"/> 2024-25	\$150.00
---------	---	-------------------	--	--	---	----------	--	----------

## Technology Requests

Criterion for distributing funding vary by committee (check out the [Resource Allocation Rubrics](#) available on PAR's website), but are consistently based on the [Educational Master Plan](#), the [College's Planning Priorities](#), and the [President's College Planning Initiatives](#).

\*Note: In the project name column, if your request is part of a larger project, please name the project and use the same project name for all requests related to the project. We don't currently have a good system for different shared governance committees to come together and see the total cost of projects across resource requests that go to different committees. Adding this column to Program and Area Review is the *start* to figuring out a good process for this.

	<b>Rank</b> (1, 2, 3, etc. after all requests have been entered)	<b>Project Name</b> Use the same project name for all requests related to a large project or put 'individual request'	<b>New, Updated, or Repeat Request</b>	<b>Was the feasibility of the request discussed with IT?</b>	<b>Brief Item Description</b> (1-2 sentences)	<b>Justification</b> BRIEFLY justify how this spending relates to the EMP, College's Annual Planning Priorities and/or President's Planning Initiatives (2-3 sentences).	<b>Quantity</b> (1, 2, 10, 12, etc)	<b>Year(s) Needed</b>	<b>Estimated Cost Per Year</b> (Total \$)
<b>Item 1</b>	1	Windows 10 computer stations for 24 students in 1602 and 24 students in 1616.	<input type="checkbox"/> New <input checked="" type="checkbox"/> Updated <input type="checkbox"/> Repeat	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	Update all student computer stations to Windows 10 as well as increase number of computer stations to support a population of 20 students per ESYS Lab.	Bringing all student computer stations up to the current Windows 10 units allows students to work on machines competitive with industry and supports Chabot's EMP and coincides with our Mission Statement.	TOTAL = 48: Windows 10 computer stations for 24 students in 1602 and 24 students in 1616.	<input checked="" type="checkbox"/> Annual <input type="checkbox"/> 2022-23 <input type="checkbox"/> 2023-24 <input type="checkbox"/> 2024-25	TBD
<b>Item 2</b>			<input type="checkbox"/> New <input type="checkbox"/> Updated <input type="checkbox"/> Repeat	<input type="checkbox"/> Yes <input type="checkbox"/> No				<input type="checkbox"/> Annual <input type="checkbox"/> 2022-23 <input type="checkbox"/> 2023-24 <input type="checkbox"/> 2024-25	
<b>Item 3</b>			<input type="checkbox"/> New <input type="checkbox"/> Updated <input type="checkbox"/> Repeat	<input type="checkbox"/> Yes <input type="checkbox"/> No				<input type="checkbox"/> Annual <input type="checkbox"/> 2022-23 <input type="checkbox"/> 2023-24	

								— 2024-25

## Categorical Funding Applications:

The **Student Access Success and Equity (SASE) committee** “develops, leads, and supports campus initiatives that strengthen student access, success, and equity.” SASE “provides a platform for collaboration and communication across the college that will result in the coordination of basic skills, student access, success, and equity efforts campus-wide.” If you believe that any of your funding requests meet these requirements, then please fill out their application for funding here:

<https://forms.gle/ZXC65S6NscLMCz8G7>

Please note that SASE may request additional information after you submit the application. Please contact the SASE committee with any questions: Administrative Tri-Chair Gabe Chaparro [gchaparro@chabotcollege.edu](mailto:gchaparro@chabotcollege.edu).

**Career Education** funds are available for projects that: 1) support a program with a CTE TOP code or 2) continue a current project in SWP or 3) are eligible for Perkins Grants, or 4) meet other criteria such as core indicators and labor market demand. If you believe that any of your funding requests meet these requirements, then please fill out the CE application for funding here:

[https://docs.google.com/forms/d/e/1FAIpQLSelkdNpRXzCbXnmVGHO7t3gC2K3eZfs\\_nXrOaLloFxIT1xbqw/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSelkdNpRXzCbXnmVGHO7t3gC2K3eZfs_nXrOaLloFxIT1xbqw/viewform?usp=sf_link)

- Please submit one form per project/TOP code, keeping in mind that funding for multiple projects per area is limited.
- If you are not sure whether you have a program that qualifies for CE funding, please reach out to Christina Read [cread@chabotcollege.edu](mailto:cread@chabotcollege.edu).

If you have any other questions about the CE funding process, please contact the Career Education Committee Tri-Chairs: faculty chair Connie Telles [ctelles@chabotcollege.edu](mailto:ctelles@chabotcollege.edu), admin chair Christina Read [cread@chabotcollege.edu](mailto:cread@chabotcollege.edu), or classified professional chair Kathleen Stanley [kstanley@chabotcollege.edu](mailto:kstanley@chabotcollege.edu).
