

Welcome. Dear Chabot Community Member,

Welcome to Fall 2022 Program and Area Review! This is an "Update Year" in which we will ask you to **briefly** reflect on aspects of your own PAR submission and the overarching campus trends from the Fall 2021 Comprehensive PAR year. After your dean/manager has approved your PAR draft, please enter your responses here into Qualtrics* (and for resource requests, enter into [Cognito](#)). This will allow the PAR committee to provide analysis of campus-wide trends to the college. (To see the analysis of last year's PAR data, check out the [Fall 2021 PAR Synthesis Statement](#).)

***Please plan to do your data entry in one sitting and remember to hit submit** (we do not have control over whether partial responses in Qualtrics get saved)!

Thanks,
The Program and Area Review Committee

Q7. Campus-Wide Issues

Q8.

Context: Last year, the PAR Committee analyzed ~100 PAR responses to the comprehensive Fall 2021 PAR. Based on this analysis, the PAR committee presented policy ideas in shared governance committees and to senior leadership. Additionally, Deans were asked to analyze PARs within their areas to identify "infrastructure or college wide issues needing immediate attention." The most frequently mentioned policy ideas and/or infrastructure issues are listed below.

Question: How important do you believe it is to address the following issues to support Chabot in carrying out our mission? Please drag the response options and order them from most important (1) to least important (7).

Learning Communities: Research how to expand learning communities (e.g., Umoja, Puente, CIN, MESA, FYE, Guided Pathways, etc.) and learning-community-type supports to wider groups of students. 1

Staffing Issues: Work with the district to further investigate hiring obstacles and collaboratively create policy solutions. 2

Student Registration/Application Process: Improve registration/application process for students 3

Access to Counseling: Evaluate what funding, resources, or structural changes would be needed to ensure all students have access to the high quality counseling services that Chabot provides. 4

Technological Systems: Examine Chabot's processes and structure for implementing and orienting employees to system-wide technological change and consider ways to solicit campus-wide input. 5

Funding: Secure funding for programs and college-wide events 6

Facilities: Maximize usage of and planning for facilities 7

Q9. Question: If you believe there is an important issue to address to carry out the college mission that is NOT mentioned in the previous list, please describe below (optional).

Q10. Reflections on Goals Established in Fall 2021 PAR

Q11. Context: In Fall 2021 PAR, after reflecting on data, you established program/area goals to support the college mission and continuous program improvement. This spreadsheet lists the [goals you established in your Fall 2021 PAR](#).

Question: Please take a look at your goals to determine:

- All goals are still relevant and nothing needs to be changed or added.
- All goals are still relevant, but I would like to add an additional goal. (Please fill in your new goal, so we can update the spreadsheet.)

- Some goals are relevant and some need to be changed. (Please explain below, so we can update your goals in the spreadsheet.)

- None of our goals are still relevant. We need to update all of them. (Please provide us with your new goals, so we can update your goals in the spreadsheet.)

Goal #1: Hire full time MOVEMENT counseling assistant to help with setting counseling appointments, reminders/follow ups, and other administrative tasks.

Goal #2: Expand MOVEMENT course offerings.

Q12. Question: What are the statuses of your program's/area's goals right now? (Note: You have the entire PAR cycle to complete the goals you established in your Fall 2021 PAR.)

- All goals are achieved.
- Some goals are achieved and some are in progress.
- All goals are in progress.
- Some goals are in progress and some are not started.
- No goals are started because... [please explain in text box below].

The AANAPISI Grant that was given to Chabot College to start MOVEMENT was not in place until late Fall 2021. Goals were not established but we are working toward the goals presented above.

Q13. Context: To assess how well you are doing with respect to meeting your program's/area's goals, you included [expected goal outputs and outcomes in your Fall 2021 PAR](#).

"Outputs" are direct short-term results like # of students served, workshops held, etc. Longer-term goals might also have expected *outcomes*. "Outcomes" are longer-term results, like course success rates or degrees earned. Goals are often measured by whether "outputs" or "outcomes" are achieved.

The Office of Research, Planning and Institutional Effectiveness (ORPIE) posts a variety of data for programs/areas to assess goal "outcomes": [enrollments and success rates](#), [enrollment management](#), [success rates of online vs hybrid vs face-face-classes](#), [degree and certificate awards](#), and [more](#). To request additional data for goal assessment, please fill out a [research request form](#) by Friday September 23, 2022. ORPIE will process requests in the order received. ORPIE will let you know whether they have the requested data and/or how your program/area could collect your own.

Question: So far, what is going well and what are some challenges regarding completing your program's/area's goals? You could include reflections on: achievement of outputs or outcomes and/or challenges with producing outputs or outcomes so far.

MOVEMENT is in Year 2 of the AANAPISI Grant. We are serving 113 students so far in 22-23. We have 99 students enrolled in our Fall 2022 MOVEMENT classes. Our core classes, English and PSCN, are both fully enrolled. We have already met the AANAPISI grant year 2 goal of at least 30 first time, full time enrolled, AAPI or low income students. We recently launched our mentorship program and currently have 38 participants. Some of the challenges include not having a counseling assistant for the program. We are getting some administrative support from various places around campus but it is vital to continue to work to get a full time counseling assistant for MOVEMENT. Currently, the MOVEMENT counselor is doing all of the counseling appointment setting, reminders, and follow up which takes him away from other counselor/coordinator duties and services. Recently, MOVEMENT was able to recruit a Financial aid advisor to support students in MOVEMENT. 87% of our 113 (22-23) students have already completed the 3 core services for priority registration.

Q14. Student Learning Outcomes (SLOs) and Program Learning Outcomes (PLOs)

This question was not displayed to the respondent.

Q15. Context: Assessment for SLOs and PLOs happens at varying times of year on a five-year cycle. SLO and PLO assessments are submitted in [CurricUNET/META](#). Please take a look at the [SLO Assessment Report](#) to answer the following.

Question: Is the assessment for all SLOs in your program up to date?

This question was not displayed to the respondent.

Q16. Context: In response to a core inquiry by the visiting accreditation team, the Outcomes and Assessment Committee updated PLO assessment questions to gather more robust evidence of continuous

improvement. Programs will see these updated questions when they next log in to [CurricUNET](#). Thanks to the programs who already filled out the updated PLO questions, we were able to create evidence of continuous improvement for our core inquiry report!

Do I need to fill out the updated PLO questions in CurricUNET?

- Programs that submitted an incomplete PLO assessment or did not submit an assessment in the past five years DO need to fill out the PLO assessment in [CurricUNET](#).
 - Programs who did not submit a complete PLO assessment are highlighted in pink on this [PLO Assessment Completion Report](#)
- Programs who are shown as having completed PLO assessments within the past five years on this [PLO Assessment Completion Report](#) do NOT need to fill out PLO assessments at this time. Completed PLO assessments are shown with a green box with a hyperlinked "X." You can wait to complete the updated PLO assessment on the regular five-year cycle.

If you are not sure whether you need to fill out the PLO assessment in CurricUNET, then email Lannibeth Calvillo lcalvillo@chabotcollege.edu or Dean Safiyyah Forbes sforbes@chabotcollege.edu.

Question: Has your program completed a PLO assessment in the last five years?

This question was not displayed to the respondent.

Q17. Context: Chabot strives to continually improve how we serve students and the community (assessment and continuous improvement are also requirements for accreditation). In your SLO assessments in CurricUNET/META, you are asked: "Based on assessment results, what actions might your discipline take to improve student learning?" Similarly, in the prior PLO assessments you were asked to describe "recommended changes/actions," and in the updated PLO assessments you are asked, "What are you planning to start doing, stop doing or change in order to continuously improve your program?" In the comprehensive PAR year (not this update year), you will be asked to report back on how your actions to improve SLOs and PLOs impacted student learning. In this update year, we are simply reminding you that your actions and plans to improve student learning, based on SLO/PLO assessment results, should be underway.

If you want to see how you responded to these SLO/PLO continuous improvement questions:

- Go to the [SLO Completion Report](#) and the [PLO Completion Report](#).
- Look up your program by division, subject, and program name. There will be a hyperlinked "x" in the column for the year in which you submitted your SLO/PLO assessments.
- Click on the "x" and you can look up what you submitted as plans for SLO and PLO continual improvements (i.e., your responses to the questions on actions to improve student learning and continuously improve your program).
- If you have any questions about how to find your prior assessments, please email Lannibeth Calvillo at lcalvillo@chabotcollege.edu.

Question: Please check one of the following boxes to describe how your discipline is doing with regards to plans/actions for improving student learning based on SLO/PLO assessment data.

This question was not displayed to the respondent.

Q18. Service Area Outcomes (SAOs)

Q19. Context: In response to a core inquiry by the visiting accreditation team, programs with service area outcomes were requested to fill out the [SAO Assessment Updates Survey](#) in Qualtrics. The majority of programs and areas filled this out and we were able to create an evidence document for our core inquiry report-great work Chabot!

Do I need to fill out the [SAO Assessment Updates Survey](#) in Qualtrics?

- Please refer to this [SAO 2022 Assessment Update SPREADSHEET](#)
- If your programs'/areas' "Date of Last Assessment," is listed as "NA newly created" or is blank (!), then please fill out the survey in Qualtrics.
- Additionally, if you did not fill out the survey in Qualtrics in 2022, then check in the spreadsheet to see if your "Results of Last Assessment" include clear plans for continuous improvement (i.e., ideas for things that you will do that make your program/area more successful). If not, you should also fill out the survey in Qualtrics.
- If you are not sure whether you need to fill out a survey, then email Lannibeth Calvillo lcalvillo@chabotcollege.edu or Dean Safiyyah Forbes sforbes@chabotcollege.edu

Question: Please check the statement that best describes your program's/area's SAO assessments.

Our program/area filled out the SAO Assessment Updates Survey in 2022 in Qualtrics.

Our program/area did NOT fill out the SAO assessment Updates Survey in 2022 in Qualtrics, BUT we have assessed two SAOs in the past five years and our "Results of Last Assessment" include plans for continuous improvement.

Our program/area has NOT filled out the SAO Assessment Updates spreadsheet in Qualtrics; however, we have a plan to do so by [fill in date MM/DD/YYYY]

Other [fill-in]

Q20. From Goals and SLO/PLO/SAO Continuous Improvement Plans to Resource Requests

Q21. Context: The basis for Chabot's resource allocation process is grounded in reflections on: 1) PAR goals, 2) plans for improving student learning that are grounded in SLO and PLO assessment results, and 3) SAO assessment results. Please consider what augmentations or new resources might be needed to achieve: 1) your PAR goals, 2) plans to improve student learning, and/or 3) reach SAOs.

Question: Which of your PAR goals, plans for improving student learning, and/or plans for reaching SAOs will need augmented or new resources?

****Note you will still need to enter resource requests into Cognito after submitting your PAR on Qualtrics.**

The MOVEMENT SAO is centered around student persistence rate. Having a full time counseling assistant to help with setting up counseling appointments, appointment follow up/reminders, outreach, and administrative support will open up more opportunity for the MOVEMENT counselor to connect with students, collaborate across campus/departments, and provide services. All of those things will support student persistence.

Q22. Optional: Campus-wide Reflection on Current Issue

This optional section of the update-year PAR contains question(s) on current issues impacting our campus.

Q23. As Chabot evolves our operating procedures in response to the Covid-19-pandemic: what does your program/area believe is important to keep in mind regarding online vs. hybrid vs. face-to-face instruction, service delivery, and working environments?

MOVEMENT has offered both in-person and online counseling services as soon as the campus started to open up. Students have learned that both options are available and use them accordingly. I have been effective in providing services on campus and off campus. It is important for the campus to continue to trust our work and provide flexibility in when and how we provide services. I understand the goal is to meet student needs and MOVEMENT continues to do our best to do just that.

Q24. Thank you for completing the annual update questions for the Fall 2022 PAR!

But WAIT!! You might not be quite done yet...
