Fall Events 2005

Classroom Assessment Techniques (CATs)

Join us Sept. 1 from 2:00 - 4:00pm in the Library 107A/B for an introduction to Classroom Assessment Techniques or perhaps you’re ready for a refresher. CATs allow you, in just a few moments, to find out where your students have questions, what misconceptions or preconceptions your students bring to the topic at hand, or to do a number of other exercises to help your students better learn what you are presenting.

These training sessions, facilitated by Cindy Hicks, will take place during the New Faculty Learning Community meetings. Sept. 1 is the Introduction and then in the next 3 sessions we will discuss CATs we have tried in the classroom since our last meeting and then discuss some new ones. Follow-up sessions: Sept 15, Oct. 6 & 20 2:00-4:00pm Library 107A/B.

Adjunct faculty receive a modest reimbursement for participating in these sessions.

Chabot Book Group

Sept. 13 (Tues) Noon – 1pm Library 107A/B) Join the Chabot Book Group as we continue reading and discussing books (mostly fiction) which give us glimpses into the many cultures represented in our community. We are starting up this fall with a collection of short stories by Z.Z. Packer. Drinking coffee elsewhere (Riverhead Books, 2003). Copies should be available in the Chabot Bookstore this week.

Contact Michelle Sherry or Carol Baumann with questions or suggestions for future books.

2. ALSO – attach a Disbursement Request Form (available on Business Office website) with your packet. The language should read: “Request advance check for (registration fees, hotel, etc.)”. Be sure to have your supervisor’s signature on this form.
3. Submit the entire packet to the Staff Development Office before the corresponding meeting that takes place AT LEAST 3 WEEKS BEFORE THE ADVANCE IS NEEDED.
4. Once approved by the Staff Development Committee, your packet will be sent on to the Business Office for the usual processing procedure.

Please note: Last minute requests will not be accepted by the Business Services Office.

Do you have ideas for on-campus Staff Development activities?
We are always seeking input for activities that we can implement now, incorporate into Flex Day activities or implement in the future.

We can provide assistance in publicizing and organizing on-campus activities. Is there a forum you think we should organize that addresses issues that staff, faculty or administrators are confronting that we need to explore and discuss?

Let us hear from you – Send your suggestions to Box 16 Or email one of the coordinators:
cbaumann@chabotcollege.edu
kwaldo@chabotcollege.edu

Or speak with any member of the committee.
Thank you.
