Giving everyone a chance to grow

(this document is both a newsletter and summary minutes)

COLLEGE COUNCIL REPORT

We are planning flex day – Reflection is our theme and working title for the day.

Schedule:

8:00	coffee/breakfast
9:00 – 10:00	Welcome New President and an uplifting/unifying activity
10:15 – 12:00	Session #1
12:00 – 1:15	Working lunch with fun element
1:30- 3:00	Session #2
3:00	Social?

We will be taking proposals for the sessions from anyone and everyone.

SLOs, Accreditation, Basic Skills, DE, The Learning Connection, Division and/or Area projects, Classified Staff are encouraged to submit their ideas; we're open to other projects as well. Marcia has agreed to put out a proposal form for folks to use and SD will review them on Dec. 13.

Also, we will be talking about SD and technology training for faculty and staff as our major discussion item next meeting. This was inspired by Steve Piatetsky's proposals for technology training and web development.

SUMMARY OF MEETING

IN ATTENDANCE: Marcia Corcoran, Barbara Worthington, Steve Woodhams, Steve Piatetsky, Arlene DeLeon, Gloria Meads, Christina Ruggerio (guest) and myself, Rachel LePell.

We approved Lani Wilson and Melva Garcia's proposal for a site visit from our TTIP funds. We also approved Gene Groppetti's Leadership Hayward proposal for 300.00 toward his tuition (from our general fund).

We agreed to discuss technology training needs next meeting and to take action on Steve Piatetsky's two proposals (these will be coming to SD members shortly).

We talked at length about flex day – and agreed to a schedule (see above). Lots of details needed at this point, including how SD will “shape” the day, if it will be shaped at all. We’ve lost our sense of “Recess” at this point; but agreed that we can bring some “play” into the first hour and perhaps lunchtime as well...maybe we can showcase “talents” during lunch time, or play softball or volleyball, perhaps we can re-visit John Parente’s sound thoughts about personal contact in the classroom. The proposals will likely be from the usual suspects, but perhaps we’ll have some surprises as well.

Next meeting: November 29th 3:15- 5:00 p.m. (note the later start time)

Agenda:

Proposals and Budget update: Rosie

Discussion: Technology and Training – how does SD want to organize for tech training for faculty and staff? Do we have a vision? Do we need one?

Steve’s proposals

Flex Day updates:
