

Staff Development "Developments"

October 23, 2008

Giving everyone a chance to grow

(this document is both a newsletter and summary minutes)

- I. We funded 11 requests for funding, including a small group from early childhood and some folks from financial aid as well.
- II. We discussed the fine lines between funding conferences and attending the same kind of event here and whether *Staff Development* is the appropriate source of funding for local workshops (i.e. music fall jazz fest.)

SD announces its Spotlight Series

Faculty and staff will be offered a 100.00 stipend to come and share their passion with colleagues.

Propose an idea, fill out the form, and if approved (an easy process, really), SD will give a 100.00 stipend.

Choose a date/time/place and SD will help promote your "gig."

*Sharing our talents and passions with each other so that
Everyone grows.*

- III. Arlene brought a draft of the flier for our **Spotlight Series** and we gave her feedback. She'll bring in the flier again next week for final approval and then it will be uploaded on our website.

IV. The focus of the year – **The Big Read** and our **Spotlight Series** will suffice to give *Staff Development* some real energy and drive for the year.

Respectfully submitted.....Rachel LePell
