Subject: Chabot College Innovation and Effectiveness Plan

The Chabot College Institutional Effectiveness Workgroup (The Workgroup) will to present its Innovation and Effectiveness Plan (IEP) to the Student Senate of Chabot College. The Workgroup was formed in the Spring 2016 to develop a plan to improve institutional effectiveness of Chabot College by focusing on three areas of need determined by the College President and supported by the Institutional Effectiveness Partnership Initiative of the California Community Colleges Chancellors Office. The three areas of focus included in the Chabot College IEP are 1) Resource Allocation and Planning 2) Shared Governance Structure 3) Institutional Effectiveness as a Way Forward. This presentation will focus on Shared Governance structure with an overview of all three areas of focus.

The Student Senate of California Community Colleges (SSCCC) is now in the 3rd month of governing in advocacy. The teams and Ad Hocs have been elected to push the systems priorities forward. Priorities anywhere from Basic needs of students to assessment and accreditation. The Student Senate of California Community College has finite resources due to the new status as a 501.c3 non-profit. This transition gives an unprecedented power to the ASOs at large. This presentation is to recommend that Student Senate Chabot College ascend to the new level of advocacy as well as to mobilize SSCC’s pivotal position of power in this time of change.
