Subject: CalWORKs/CARE Holiday Celebration

BACKGROUND:

The CalWORKs/CARE Holiday Celebration has been held every December for families who have little resources and receive cash aid from the state (CARE students are all single parents). These families are presented gifts from “Santa” donated by Chabot faculty and staff at an evening full of activities. This celebration is meant to showcase the parents’ academic achievements for their children in hope of creating a spark for the children to achieve the same success and break the cycle.
*CARE students fall under the EOPS program

Agenda Item

Item: 6.6

From: Finance Director Harris

Subject: Holiday Party

BACKGROUND:

The Guardian Scholars Program (GSP) second annual Holiday Celebration is scheduled for the month of December for students that are current of former foster youth. A large number of our GSP live on their own if transitional housing and do not have the financial resources to celebrate the holidays and often do not have families to celebrate with them.

The GSP Holiday Celebration is a way of creating a sense of community amongst students and staff during the holiday season as well as recognizing the academic and personal accomplishments of students. The GSP program at Chabot College is in its third year of existence and we are seeing a growth in the program because in 2012 the age of foster care was extended to the age 21 in the state of California.

RECOMMENDED ACTION:

Approve funding for $988.47 for the Guardian Scholars Program
Item: 6.7

From: Finance Director Harris

Subject: Chabot College Dental Hygiene Program

BACKGROUND:
Who: The Chabot College Dental Hygiene Clinic is a full service dental hygiene clinic that offers services such as teeth cleaning, dental sealants, fluoride varnish application, and dental x-rays. Fees for these services provided are charged to the patient in order for the clinic to be sustainable.

What: The student focused initiative would allow registered students at Chabot College to receive dental hygiene services at the Dental Hygiene Clinic on campus without having to pay ant fees.

RECOMMENDED ACTION:
Approve funding for dental services $6,000.00
