AGENDA ITEM

Item: 5.4  
From: Ms. Mak and Stay Woke Collective  
Subject: Change In Grading Policy

BACKGROUND:

The Stay Woke Collective are dedicated to listening and voicing student needs. Due to COVID-19, the lives of students at Chabot College and CA have changed drastically. No one could have predicted this crisis and the lengths many have had to go to to maintain stability. Nonetheless, Chabot students are feeling the repercussions of online education. Our campus serves a majority student of color, first generation, and a diverse student population. Many students do not have access to technology at home, many must still work during this pandemic, and many will not be able to succeed in a home environment. This shift has left students desperately seeking support mentally, technologically and financially.

Based on the wide consensus of students' needs and the reasons listed below we urge the student senate to take action on the following proposal.

1. All Pass Policy due to the following reasons:
   a. Unequal access to resources - students are being graded based on access to internet and technological resources.
   b. This involves faculty challenges too (transition to online, working from home) - students and faculty should work together for common interest.

2. Need for better communication from the Chabot administration to transfer students about how transfer policies are changing

RECOMMENDED ACTION

Vote to support proposal for All Pass Grading Policy and improved communication about transfer requirements

AGENDA ITEM

Item: 6.2  
From: Arnold Paguio, Director of Student Life
Subject: Fall Semester Campus Modality

BACKGROUND:
With Fall 2020 registration now open the district is beginning discussions on how campuses will operate for the fall term. As we consider the balance of public health and the educational needs of our students there are three possibilities being discussed:

1. Remain Primarily online (similar to current shelter-in-place)
2. Return to primarily in-person (similar to pre shelter-in-place)
3. Develop hybrid modality

We would like to open the floor to the SSCC for students to give feedback on these options.

RECOMMENDED ACTION

Discuss possible options for campus modality for Fall 2020 term.
