COMPLETING CSU GENERAL EDUCATION-BREADTH (CSU/GEB)
Chabot College students have the opportunity to complete all of their lower division CSU/GE requirements for the BA/BS Degree prior to transferring to any of the 23 California State Universities. By following the pattern of General Education (GE) requirements on the reverse side the student will be eligible for "Certification of General Education Breadth Requirements."

****CERTIFICATION****
Certification of General Education Breadth Requirement does not happen automatically; you must request CSU/GE certification at the time that you request your final transcript to be sent to the CSU school of your choice. File your request with Admissions and Records.

Two types of CSU GE Certification

Full CSU/GE Certification: The student is eligible for FULL CSU/GE CERTIFICATION when they have completed the required number of units and courses in each GE Area, A-E and U.S. History, Constitution and American Ideals*. This student will not have to complete additional lower division GE requirements that may be required at that CSU school. Transfer students will be responsible for additional upper division units, typically 9 semester (12 quarter) units, in GE, after transfer.

(*) Area F: U.S. History, Constitution and American Ideals is not a part of CSU/GE Certification, however the courses that comprise this requirement can be counted in the Area D "Human Social, Political and Economic Institutions and Behavior."

Partial CSU/GE Certification: Partial CSU/GE Certification is granted when one or more GE Areas have been completed. A student who transfers to a CSU with partial GE Certification will not have to complete additional GE requirements in that same GE area upon transfer. They may have to complete additional lower division GE requirements in other GE areas that were not certified, plus additional units of upper division GE, typically 9 semester (12 quarter) units.

TO TRANSFER AS A JUNIOR (Upper Division Transfer) TO A CSU YOU MUST:
1. Complete Areas A1, A2, A3 and B4 with a grade of C (P) or better. (See the back of this flyer.)
2. Complete an additional 18 units from CSU/GE areas A-E, (including the units from above) for a total of 30 GE units. All courses would need to have a grade C (P) or better.
3. Complete an overall total of 60 semester (90 quarter) CSU transferable units with a cumulative GPA of 2.0 (C). See the CSU Transferable Course list an alphabetical listed of CSU Transferable courses from Chabot.
4. Individual CSUs may have different GPA requirements for transfer and admissions into specific programs. See a Counselor if you have questions.
5. Students completing CSU/GE as part of the “Associate Degree for Transfer” are required to complete Areas A-E. Completing American Institutions is not a requirement for the “Associate Degrees for Transfer”.

Additional Certification requirements:
1. No more than 39 semester (58.5 quarter) units may be certified for the CSU General Education Breadth Requirements.
2. No more than 30 semester (45 quarter) units may be certified in Areas B through D combined.
3. Upon transfer, the student may be expected to complete a minimum of 9 semester units (upper division) of General Education Breadth Requirements at the CSU granting the baccalaureate degree and other specific graduation requirements of the transfer school.
