PACE Admission Criteria

Chabot College PACE Degree & Transfer Program for Working Adults

PACE Admission Requirements – Students admitted to PACE:

• Are new to college or are at the beginning of their college career, and have completed between 0-20 units of General Education before joining the PACE Program (GE includes courses like English, Math, History, but does NOT include courses like Business, computers, cosmetology).
• Have a goal to obtain an A.A. Degree and/or a Bachelor’s Degree
• Complete a PACE Application including Essay and provide copies of all prior college transcripts
• Attend a PACE Orientation prior to admission to PACE
• Make a commitment to take only PACE classes for their General Education while enrolled in PACE, generally for 4-6 semesters (not including Summers)
• Sign a pledge that they understand these requirements and intend to fulfill them
• Meet Chabot College Admissions requirements and scholastic standards

Typical PACE Students:

• Work 30+ hours per week (usually during the day from 9am-5pm)
• Need Evening, Saturday & Online Classes
• Are Re-Entry Students: generally defined as 25 years or older and have been out of school for 2 or more years (there is no age requirement for Chabot PACE)
• Are pursuing one of the following degrees (other degrees are optional):
  o A.A. in Liberal Arts, Option I or II with an Emphasis in Social & Behavioral Sciences
  o A.A. in Behavioral Science (Psychology, Sociology, Anthropology)
  o A.A. in Early Childhood Education (General Ed classes may be taken via PACE, ECD classes must be taken outside of PACE)
  o A.A. in Business Administration (General Ed classes may be taken via PACE, Business classes must be taken outside of PACE)
  o B.A. in Human Development or Psychology or Sociology or other Social Science
  o B.A. in Liberal Studies or Education
  o B.S. in Business Administration (Business classes must be taken outside of PACE)
  o Another similar degree that works with the classes that PACE offers
  o A.A. or B.A. in Nursing (General Ed classes may be taken via PACE prior to Nursing Pre-requisite Sciences - which are not offered in PACE). **PACE is not designed for Nursing or Dental Hygiene Majors, but a limited number of students may be admitted to PACE if they meet the other criteria**
