SAT Prep: Learn How to Ace the Test!
Learn how to score high on the SAT in the fall! Beyond reviewing key content, this 13-hour SAT Prep class will teach you dozens of test-taking techniques to improve speed and accuracy, gain confidence, and ultimately get a score that will help you get into your top-choice college. Ages 15+. Instructor: Eva Holtz, founder of PrepPoint, a company specializing in SAT tutoring. (Eva got a perfect score on her SAT and went on to graduate from Harvard!) Materials fee: $30, payable to the instructor, for practice exams, the PrepPoint SAT guide, and supplementary materials.

Course #360005  M-Th, Aug 2-5  9 a.m.-noon  Room 856  $189
(8 a.m. first class only)

Summer Algebra Review
This class, designed for students entering 7th and 8th grades, will review the fundamentals of Pre-Algebra and basic Algebra. Class topics are drawn from the California State Standards and include integers, absolute value, solving equations, combining like terms, order of operations, linear graphs, and more. At the end of the four-session review, students will be able to approach the next year of math with greater clarity and confidence. For middle school and high school students. Note: Students should bring calculator. Instructor: Eva Holtz
Materials fee: $5, payable to instructor.

Course #320005  M-Th, Aug 2-5 12:30-2 p.m.  Room 856  $75

How to Get Natural A’s
Any student can significantly enhance grades, self-confidence, and chances for scholarships and college admissions by performing academic skills aligned with the brain’s natural patterns. This will make note-taking, reading, studying, memorizing, and test-taking amazingly efficient. Also discover simple methods for understanding math and other subjects, optimize focus and concentration, and prevent test anxiety. Ages 12 to adult. (Parents can enroll too!) Instructor: Curtis Adney Materials fee: $30, payable to the instructor, for comprehensive study materials.

Course #360004  Sat., July 31  9 a.m.-noon  Room 805  $49

Essay Writing Techniques for Success
Writing is the single most important skill you can have in school, in your career, and in life. In this workshop you will develop and enhance your writing ability and become more confident about expressing your ideas. In just three hours the class will cover all of the basic techniques for essay writing: selecting and developing a topic, creating an outline, writing a draft, and reviewing sentence and paragraph structure. We will also cover critical thinking skills. Instructor: Susana Ferrer

Course #320029  Sat., July 31  1-4 p.m.  Room 807  $49
