Assessment Schedule
June 2017 – August 2017
Building 700, Room 714A

Results are available within 24 hours. You can log into CLASS-Web to get your results online.

New, First Time in College Students

Online Orientation, English/English as a Second Language (ESL) & Math Assessment, Title IX Training & Student Education Planning

As a New, First Time in College Student you need to complete an Online Orientation, the English/English as a Second Language (ESL) and Math assessments, the Title IX - Sexual Assault & Violence Prevention Training, and attend a Student Education Planning session. These steps are part of a class, PSCN 25: Transition to College and will enable you to earn 0.5 units towards your educational goal plus increased priority registration.

Before attending:

1) If you haven’t already done so, apply to Chabot College online at www.chabotcollege.edu
2) Complete the Online Orientation
3) It is critical that students review the study guides on our website at www.chabotcollege.edu/counseling/assessment to prepare for the assessment tests.
4) Attend assessment session (see schedule below). Appointments are not required. Bring a valid Photo ID (students will not be admitted without Photo ID) and know your Student ID#.

When you have completed your assessments, you will receive a Student Success Passport with next step information about the Title IX - Sexual Assault and Violence Prevention training and your Student Education Planning appointment.

Continuing, Returning and Concurrent Enrollment Students

English/English as a Second Language (ESL) and/or Math Assessment

• All Continuing, Returning & High School Concurrent Enrollment Students must have a current application for admission on file prior to attending the assessment. You can apply online at www.chabotcollege.edu
• It is critical that students review the study guides on our website at www.chabotcollege.edu/counseling/assessment to prepare for the assessment tests.
• Attend assessment session (see schedule below). Appointments are not required. Bring a valid photo ID (students will not be admitted without a photo ID) and know your student ID number.

High School Concurrent Enrollment Students

Math and English assessments for high school concurrent enrollment students are offered on Mondays only.
Chemistry Diagnostic Test

Students interested in taking Chemistry 1A: General College Chemistry have the option of taking the Chemistry Diagnostic Test to fulfill their prerequisite for the class. This is a timed, paper and pencil test. If you pass the test, you will meet the prerequisite for Chemistry 1A. If you fail, you will need to complete Math 55 or 55B AND Chemistry 31 with a grade of “C” or higher in order to meet the prerequisite.

- These sessions are on a first-come, first served basis. Appointments are not required. Arrive no later than 1 hour before closing. Test duration: 45 minutes (see schedule above).
- Bring a valid Photo ID (students will not be admitted without Photo ID) & know your Student ID #.
• Non-programmable calculators are permitted.
