Before enrolling in an English class, take the Accuplacer English Test (Assessment Center Room 714A). Test will determine eligibility for English 1A. If you do not place into 1A, choose either 101A/B or 102.

**English 1A (College English)**

**English 101A & English 101B**
This two-semester program prepares students for success in reading and writing at the college level. Students learn strategies to better understand what they read, and to think and write about the material in clear and logical ways. Typical assignments include reading full-length books as well as articles and writing a series of 3-5 page essays on the class readings. These classes do not focus on teaching English grammar. *

**English 102**
A faster-paced alternative to the 101A/B sequence (above), this one semester course is recommended for students who are able to write clear, effective sentences, are prepared to take on challenging reading and writing tasks sooner, and believe they will be ready for college-level English with only one semester of preparation. This class does not focus on teaching English grammar. *

**Note:** Chabot offers specialized skill-building support classes (English 117 and 118) for students with Learning Disabilities or other learning needs. If you are interested in these support classes, or would like to be tested, please register for English 116 (Learning Skills testing course), or make an appointment with a counselor in the Disabled Students Resource Center (DSRC).

* For English grammar instruction, students may enroll in English 107, an elective; students who do NOT yet speak, read, and write fluently in English (college level) are advised to take the assessment for ESL courses (see reverse).
