Position: Community Organizers/Fundraisers

Clean Water Action California is currently hiring entry-level campaign staff to organize local grassroots campaigns to protect the health, economy, environment and livelihood of California communities. Ideal candidates possess strong communication skills and a genuine commitment to the environment, progressive politics and the empowerment of our fellow CA residents.

Our staff consists of committed, professional, highly skilled activists. New employees receive extensive training and continuing support on issue knowledge and campaign skills. All staff members receive regular updates given by program staff members within our organization. We have a strong and early focus on staff career development that involves travel and management training opportunities.

- Work with passionate, like-minded individuals.
- Gain valuable training and management experience.
- Sharpen public speaking skills.
- Get real-world grassroots organizing experience.
- Become part of the solution!

Qualifications:

- Passion for social change and environmental protection.
- Working knowledge of environmental and political issues.
- Ability to work well in a diverse team environment.
- Experienced candidates encouraged to apply for leadership positions.

Daily Responsibilities Include:

- Mobilizing communities by political district. Speaking with community members at their home and getting them involved in CWA campaigns.
- Educating community members and raising awareness of environmental and public health issues.
- Raising funds to keep Clean Water Action self-sustaining.
- Generating letters to government representatives.
- Working to elect clean water advocates to public office.

Position Benefits:

- Hourly wage: $12 to $14
- Full benefits packages (i.e. medical and dental; paid vacation, holiday and sick time)
- Hours are Monday-Friday 2pm-10pm
- Flexible start /end dates

Career Development and travel opportunities:

- Clean Water Action is currently looking for talented and passionate individuals to take on leadership roles
• Training provided for potential leaders in crew management, leadership, training, and administrative tasks
• Rapid advancement potential for the talented and qualified.

How to apply:
