Mechanical/Electronics Technician
Allegion Security & Safety Consultants – Pleasanton, CA

R. P. Boxman & Associates is an independent sales contractor for Allegion in Northern California. Come join our team of 20 individuals who enjoy representing leading brands in the life safety and security industry. We have been representing brand leaders such as Schlage lock, Von Duprin exit devices and LCN door closers for 25 years. R. P. Boxman & Associates specializes in personalized, consultative sales for all commercial life safety and security products in the door and hardware industry. If you have basic electronic aptitude and enjoy applying basic electronics to mechanical applications, then this role is for you.

Mechanical/Electronics Technician role will provide sales and customer support of basic electronics products to end users, architects, and Allegion distribution. Individual must be punctual, reliable and a team player. We are looking for a career-minded individual who enjoys working in a team environment, works hard and enjoys having fun.
