Since 1987, Young Champions has engaged in various recreational programs for the athletic-minded youth of America. Our goal is to enhance self-esteem, confidence, positive socialization and physical fitness while teaching children and teens the skills necessary to enjoy a lifetime of participation in their favorite sport.

We train all newly hired coaches and instructors how to teach youth. We also provide curriculum for coaches and instructors to teach from. These recreation programs are held in various community facilities throughout Northern California. Boys and girls ages 5-15 are enrolled and students are placed into classes according to age and skill level.

Our Cheer program teaches cheers, chants, arm motions, jumps, dance steps and voice projection. Coaches create a fun competition routine that their students perform for parents & friends at our Cheer Event!

REQUIREMENTS:
• 18 years of age or older
• Valid driver’s license
• 2 years cheerleading experience
• No felonies or DUI’s (We do background checks)

ATTRIBUTES:
• Leadership
• Positive attitude / Enthusiasm
• Dedication
• Punctuality
