Early Math Project in Northern California

Interested in doing field research with preschool and kindergarten children?

Do you have experience with child assessments?

Position Summary: SRI International, in collaboration with WestEd and the US Department of Education, is looking for temporary, part-time research assistants to conduct assessments with preschool and kindergarten children. The applicant should have experience in administering math or literacy assessments and/or working with young children in preschool and kindergarten school settings. We also want to find some assessors who are bilingual to help us conduct assessments with Spanish-speaking children.

Duties and Responsibilities:
• Participate in two 3-day training and certification sessions for conducting child assessments in San Francisco Bay Area during March 2015.
• Conduct child assessments in April and May 2015.

Qualifications:
• Bachelor’s or Master’s degree in Early Childhood Education, Education, Psychology, Social Work or other related field is preferred.
• Prior experience conducting research and/or working with young children.
• Experience in conducting preschool through 1st grade child assessments preferred.
• Ability to work at least 24 - 32 hours per week.
• Reliable car, valid driver’s license.
• Must be able to pass a criminal background check and TB test.
• SRI is looking to hire assessors who are located near Contra Costa and Alameda counties.
• Individuals who are bilingual in Spanish and English are especially encouraged to apply (but not required).

Compensation: Hourly rate of $24 per hour and will be reimbursed for mileage at the federal reimbursement rate.
