Bilingual Kindergarten Student Assessor  
(Spanish, Cantonese, Mandarin, Vietnamese, Korean, Filipino/Tagalog)  

Bay Area, California  
Approximate Dates – August 2014 through late Fall

A research study is hiring Student Assessors to administer standardized assessments for a study that investigates how California’s Transitional Kindergarten Program is affecting student success in kindergarten.

STUDENT ASSESSOR POSITION

- Administer standardized student assessments to kindergarten students
- Assess students approximately 20 – 30 hours per week for approximately 8 weeks  
- Pay rate of $26 an hour

QUALIFICATIONS

Required

- BA/BS degree in psychology, early childhood education, child development, a related field or equivalent knowledge of early childhood education
- Experience working in school environments with students between preschool and 3rd grade
- Bilingual and bi-literate in one or more of the following languages: Spanish, Cantonese, Mandarin, Vietnamese, Korean, Filipino/Tagalog
- Strong interpersonal skills with both adults and kindergarten-age children
- Willingness to work in unfamiliar neighborhoods and school settings
- Access to a reliable computer, high-speed internet access and strong computer skills (including Excel and online data entry)
- Valid driver’s license, proof of auto insurance, access to a reliable car, and ability to travel throughout Bay Area school districts (San Jose, Palo Alto, Sunnyvale)
- Ability to work well independently and under the direction of project coordinators
- Ability to work between approximately 7:30 am and 2 pm (20-30 hours/week) during data collection
- Ability to attend a multi-day, paid training, dates to be determined
- Must pass certification for administering assessments and maintain reliability
- Must be detail oriented, highly organized, able to follow standardized procedures, and committed to the study
- Must participate in weekly, scheduled contact calls with SRM staff
- Flexibility to assist project coordinators with special projects during study
- Must complete and pass criminal background check

Preferred

- Master’s degree in early childhood education, early intervention, educational psychology, developmental psychology, or related field
- Experience administering one-on-one standardized assessments with elementary school children
- Experience implementing the Woodcock-Johnson, Expressive One-Word Picture Vocabulary Test (EOWPVT) and/or similar assessment tools
- Recent DOE security clearance (criminal history check) and TB test

If your background matches all of the “Required” qualifications, please send resume and contact information for three professional references to qris_yolo@srmboulder.com.

NOTE: Include city/county and language spoken in the email subject line.
