## Degrees Awarded 1990-91 to 2017-18

### Transfer Degrees Push Total Degrees to Highest in more than 20 years

In 2017-18, the total number of Chabot degrees awarded reached 1,145, the highest in over 20 years. Similar to last year, transfer degrees drove the increase. Since the creation of transfer degrees and revisions to the AA/AS degrees, increasing numbers of students have applied for degrees. Transfer degrees allow students to graduate with a degree, meet CSU transfer requirements, and have a guaranteed place at CSU. Students love them, and they now represent over one third of all degrees. To see all degrees by major, see the Degrees area of the Success and Outcomes page on the IR website ([www.chabotcollege.edu/IR/](http://www.chabotcollege.edu/IR/)).
