

WRITING A CONCLUSION

THE THREE R'S

RESTATE

First, restate the thesis of the essay. Reword your thesis in a clear and concise way.

RECAP

Next, recap on the main points of the essay. Look back at the main paragraphs and in a couple of sentences briefly review the main points made in the essay.

Finally, reflect on how this essay relates to society or maybe the world. You have the freedom to express how this essay fits into the bigger picture.
