Subject: ACCJC Action Letter on Your Institution

February 5, 2016

Dear President:

Please find attached an action letter from the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges (ACCJC), signed by President Barbara A. Beno, on the action taken by the Commission on your institution at its January 2016 meeting.

The attached electronic letter serves as your official letter and will not be followed in hard copy.

The ACCJC has also provided notification of all the January 6-8, 2016 actions taken on the accredited status of institutions by sending the "Commission Actions on Institutions" list to the U.S. Department of Education, the relevant state agency, and to programmatic accreditors. [For Commission actions imposing serious sanctions, the action letters with attachments are also sent to these organizations.] The actions list is also being posted on the accjc.org website for access by interested others and members of the public.

Sincerely,

Accrediting Commission for Community and Junior Colleges
